**SECOND SUPPLEMENTAL ENGINEER’S REPORT FOR THE
WINDING OAKS COMMUNITY DEVELOPMENT DISTRICT**

January 2026

1. PURPOSE

This report supplements the *Engineer’s Report*, dated May 2024 (as revised August 2024) (“**Master Report**”) in order to address the Second phase of the District’s CIP to be known as the “**2026 Project**” a/k/a “**Assessment Area Two Project.**” All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Master Report.

2. 2026 Project

The District’s 2026 Project includes the portion of the CIP that is necessary for the development of what is known as “Phases B and C” (together, “**Assessment Area Two**”) of the District. A legal description and sketch for Assessment Area Two are shown in **Exhibit A**.

Product Mix

The table below shows the product types that will be part of the 2026 Project:

Product Types

Product Type	2026 Project / Assessment Area Two Units
Villas	86
SF 40’	210
SF 50’	251
SF 60’	24
TOTAL	571

List of 2026 Project Improvements

The various improvements that are part of the overall CIP – including those that are part of the 2026 Project – are described in detail in the Master Report, and those descriptions are incorporated herein. The 2026 Project includes, generally stated, the following items relating to Assessment Area Two: public roadways, stormwater management, utilities, hardscape/landscape/irrigation, conservation, the differential cost of undergrounding electrical conduit, soft costs, etc. Also, the 2026 Project includes the development of SW 66th Street turn lane improvements at SW 47th Terrace (Residential Phase 4C entry), offsite street lighting anticipated to be required along SW 66th Street and SW 49th Avenue Road, and other master improvements and soft costs.

The District intends to lease street lights through an agreement with a local utility provider and fund the street lights through an annual operations and maintenance assessment. Alternatively, the District may elect to purchase streetlights directly and hire a third party to maintain the street lights, and, accordingly, the CIP does include a cost estimate for the purchase of street lights serving Assessment Area Two.

The CIP also includes the incremental cost of undergrounding of electrical utility lines within right-of-way utility easements throughout the community. Any lines and transformers located in such areas would be owned by the local utility provider and not paid for by the District as part of the CIP.

NOTE: As a point of clarification, there are 80 build-to-rent units that may be developed at the same time as Assessment Area Two, but these units are outside the CDD’s boundaries, not included in Assessment Area Two, and do not receive a direct or special benefit from the Assessment Area Two Project. Those units, and the infrastructure related to those units, are being developed by the developer at its own cost and expense

Permits

All permits and approvals necessary for the development of the 2026 Project have been obtained or are reasonably expected to be obtained in due course.

Estimated Costs / Benefits

The table below shows the costs that are necessary for delivery of the Assessment Area Two lots for the 2026 Project, which includes the roads, utilities, and other improvements specific to Assessment Area Two as well as “master” improvements as described above.

ESTIMATED COSTS OF DELIVERING THE ASSESSMENT AREA TWO PROJECT

Improvement	2026 Project Estimated Cost	Operation & Maintenance Entity
Stormwater System	\$2,719,012	CDD
Roadways	\$3,201,562	CDD
Water & Wastewater Systems	\$3,214,524	City
Undergrounding of Electric Conduit	\$173,030	Public Utility

Contingency	\$1,372,560	As above
TOTAL	\$15,098,159	--

- a. The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- b. The developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner’s or homeowner’s association, in which case such items would not be part of the CIP.
- c. The District may enter into an agreement with a third-party, or an applicable property owner’s or homeowner’s association, to maintain any District-owned improvements, subject to the approval of the District’s bond counsel.
- d. Impact fee credits may be available from master roadway and utility improvements. The developer and the District will enter into an acquisition agreement whereby the developer may elect to keep any such credits,

provided that consideration is provided to the District in the form of improvements, land, a prepayment of debt assessments, or other consideration.

- e. Because the CIP is a system of improvements, future bonds, secured by special assessments levied on lands outside of the 2026 Project area, may be issued to finance certain master improvements that were constructed as part of the 2026 Project.
 1. SW 66th Street turn lane improvements at SW 47th Terrace (Residential Phase 4 [4C] entry).
 2. Street lighting rental anticipated along SW 66th Street and SW 49th Avenue Road adjacent to Residential Phases 3 and 4.

3. CONCLUSION

The 2026 Project will be designed in accordance with current governmental regulations and requirements. The 2026 Project will serve its intended function so long as the construction is in substantial compliance with the design. It is further our opinion that:

- the estimated cost to the 2026 Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the 2026 Project are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the 2026 Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the 2026 Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within Assessment Area Two will receive a special benefit from the 2026 Project that is at least equal to the costs of the 2026 Project.

As described above, this report identifies the benefits from the 2026 Project to the lands within Assessment Area Two. The general public, property owners, and property outside Assessment Area Two will benefit from the provisions of the 2026 Project; however, these are incidental to the 2026 Project, which is designed solely to provide special benefits peculiar to property within Assessment Area Two. Special and peculiar benefits accrue to property within Assessment Area Two and enable properties within its boundaries to be developed.

The 2026 Project will be owned by the District or other governmental units and such 2026 Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the 2026 Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The 2026 Project, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property.

Please note that the 2026 Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the 2026 Project, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the

development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

1.0 Introduction

1.1 Purpose

This Preliminary Second Supplemental Special Assessment Methodology Report (the "Second Supplemental Report") was developed to supplement the Master Special Assessment Methodology Report (the "Master Report") dated July 17, 2024 and the First Supplemental Special Assessment Methodology Report (the "First Supplemental Report") dated September 9, 2024 and to provide a financing plan and a supplemental special assessment methodology (consistent with the methodology set forth in the Master Report) for the Winding Oaks Community Development District (the "District") located entirely within the City of Ocala, Marion County, Florida. This Second Supplemental Report was developed in relation to funding by the District of a portion of the costs of public infrastructure improvements (the "Capital Improvement Plan" or "CIP") contemplated to be provided by the District to support the development of 571 residential units projected to be developed within a designated assessment area within the District ("Assessment Area Two").

1.2 Scope of the Second Supplemental Report

This Second Supplemental Report presents the projections for financing a portion of the District's Capital Improvement Plan described in the Supplemental Engineer's Report Assessment Area Two prepared by Kimley-Horn (the "District Engineer") dated January 2026 (the "Engineer's Report"), and this Second Supplemental Report also describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of a portion of the CIP (such portion is herein referred to as the "2026 Project").

1.3 Special Benefits and General Benefits

Public infrastructure improvements undertaken and funded by the District as part of the 2026 Project create special benefits for properties within Assessment Area Two of the District and general benefits for properties outside of Assessment Area Two and to the public at large. However, as discussed within this Second Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within Assessment Area Two within the District. The District's CIP enables properties within its boundaries to be developed.

There is no doubt that the general public and owners of property outside of Assessment Area Two will benefit from the provision of the 2026 Project. However, these benefits are only incidental since the 2026 Project is designed solely to provide special benefits peculiar to property within Assessment Area Two within the District. Properties outside of Assessment Area Two are not directly served by the 2026 Project and do not depend upon the 2026 Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which landowners within Assessment Area Two within the District receive compared to those lying outside of Assessment Area Two.

The 2026 Project will provide public infrastructure improvements which are all necessary in order to make the lands within Assessment Area Two within the District developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within Assessment Area Two within the District to increase by more than the sum of the financed cost of the individual components of the 2026 Project. Even though the exact value of the benefits provided by the 2026 Project is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Second Supplemental Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the CIP as determined by the District Engineer.

Section Four discusses the supplemental financing program for the District.

Section Five discusses the special assessment methodology for the District.

2.0 Development Program

2.1 Overview

The District will serve the Winding Oaks development, a master planned residential development located entirely within the City of Ocala, Marion County, Florida (the "Development"). The District currently consists of approximately 460.12 +/- acres and is generally

located south of SW 66th Street, east of SW 54th Court Road (not constructed as of April 2024) and north of SW 80th Street. Of the aforementioned acreage, Assessment Area Two accounts for 123.71+/- acres.

2.2 The Development Program

The development of Winding Oaks is anticipated to be conducted by KL Winding Oaks, LLC, or an affiliated entity (the "Developer"). Based upon the latest information provided by the Developer and the District Engineer, the current development plan envisions a total of 2,030 residential units to be developed over a multi-year period in one or more development phases, although unit numbers, land use types and phasing may change throughout the development period. Assessment Area Two is anticipated to account for 571 of the aforementioned residential units. Table 1 in the *Appendix* illustrates the development plan within the District.

3.0 The CIP

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 The 2026 Project

The 2026 Project needed to serve Assessment Area Two within the District is projected to include, without limitation, stormwater system, roadways, water & wastewater systems, undergrounding of electric conduit, landscape/ hardscape/ irrigation, street lighting, off-site improvements, along with contingency and professional services, and is estimated to total approximately \$15,084,159.00, a portion of which will be financed with the proceeds of the herein defined Series 2026 Bonds.

Even though the installation of the improvements that comprise the CIP is projected to occur in multiple stages coinciding with phases of development within the District, the infrastructure improvements that comprise the CIP – including the 2026 Project – will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of the

improvements will serve the entire District and the improvements will be interrelated such that they will reinforce one another. As a practical matter, this means that master improvements that are part of the 2026 Project may be financed by the Series 2026 Bonds and/or a future series of bonds.

Table 2 in the *Appendix* illustrates the specific components of the CIP.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District.

The District intends to issue its Special Assessment Bonds, Series 2026 (Assessment Area Two) in the estimated principal amount of \$16,500,000* (the "Series 2026 Bonds") to fund an estimated \$13,986,094.11* in 2026 Project costs to be expended serving and supporting the development of the 571 residential units within Assessment Area Two, with the balance of the 2026 Project costs anticipated to be contributed by the Developer.

4.2 Types of Bonds Proposed

The proposed financing plan for the District provides for the issuance of the Series 2026 Bonds in the total estimated principal amount of \$16,500,000* to finance a portion of the 2026 Project costs in the total amount estimated at \$13,986,094.11*, representing the amount of construction proceeds generated from the issuance of the Series 2026 Bonds (such financed portion being referred to as the "2026 Project Costs").

The Series 2026 Bonds as projected under this financing plan are structured to be amortized in 30 annual installments with interest payments on the Series 2026 Bonds made every May 1 and November 1, and principal payments on the Bonds made either every May 1 or November 1.

In order to finance the 2026 Project Costs, the District will need to borrow more funds and incur indebtedness in the total amount estimated at \$16,500,000*. The difference is comprised of funding a

* Preliminary, subject to change.

debt service reserve and paying the costs of issuance, including the underwriter's discount. Preliminary sources and uses of funding for the Series 2026 Bonds along with financing assumptions are presented in Table 3 in the *Appendix*.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2026 Bonds provides the District with funds necessary to acquire a portion of the 2026 Project outlined in Section 3.2 and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to properties within Assessment Area Two within the District. Non-ad valorem special assessments will be levied on the assessable lands within Assessment Area Two and will secure the Series 2026 Bonds (herein the "Series 2026 Assessments"). The Series 2026 Assessments – which are supported by the special benefits from the 2026 Project – will be initially assigned to all lands within Assessment Area Two within the District. General benefits accrue to areas outside of Assessment Area Two but are only incidental in nature.

5.2 Benefit Allocation

Based upon the information provided by the Developer and the District Engineer, the District is anticipated to contain a total of 2,030 residential units, of which 571 are planned for Assessment Area Two. Unit numbers, land use types and phasing may change throughout the development period.

The public infrastructure included in the CIP – including the 2026 Project – will comprise an interrelated system of public infrastructure improvements, which means that all of the improvements will serve the entire District and such public improvements will be interrelated in such way that, once constructed, they will reinforce each other and their combined benefit will be greater than the sum of their individual benefits. As a practical matter, this means that public improvements that are part of the 2026 Project and not financed by the Series 2026 Bonds may be constructed by the Developer or funded by a future series of bonds.

As stated previously, the public infrastructure improvements included in the 2026 Project have a logical connection to the special and peculiar benefits received by landowners within Assessment Area Two, as without such improvements, the development of such

properties within Assessment Area Two would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the assessable lands within Assessment Area Two, the District will assign or allocate a portion of the District's debt through the imposition of Series 2026 Assessments, to the lands within Assessment Area Two receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the Series 2026 Assessments related to the financed cost of constructing the 2026 Project.

In following the Master Report, this Second Supplemental Report proposes to allocate the benefit associated with the 2026 Project to the different unit types proposed to be developed within the District in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within the District based on the densities of development and the intensities of use of infrastructure, total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind the different ERU values is supported by the fact that generally and on average units with smaller lot sizes will use and benefit from the improvements which are part of the CIP less than units with larger lot sizes, as, for instance, generally and on average units with smaller lot sizes will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than units with larger lot sizes. As the exact amount of the benefit is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by representatives of different unit types from the District's CIP.

Based on the ERU benefit allocation illustrated in Table 4, Table 5 in the *Appendix* presents the allocation of the amount of 2026 Project costs allocated to the various unit types proposed to be developed within the District based on the ERU benefit allocation factors present in Table 4. Further, Table 5 illustrates the approximate costs that are projected to be financed with the Series 2026 Bonds, and the approximate costs of the portion of the 2026 Project to be contributed by the Developer, as the case may be. With the Series 2026 Bonds

funding approximately \$13,986,094.11* in costs of the 2026 Project, the Developer is anticipated to fund the remaining costs of the 2026 Project valued at an estimated cost of \$1,098,064.89* which will not be funded with proceeds of the Series 2026 Bonds.

Finally, Table 6 in the *Appendix* presents the apportionment of the Series 2026 Assessments and also presents the annual levels of the projected Series 2026 Assessments per unit.

Amenities - No Series 2026 Assessments are planned to be allocated herein to any platted amenities or other platted common areas planned for the Development. If owned by a homeowner's association and designated on the applicable plat as a common element for the exclusive benefit of the property owners, the property would not be subject to Series 2026 Assessments. If the amenities are owned by the District, then they would be governmental property not subject to the Series 2026 Assessments and would be open to the general public, subject to District rules and policies.

Governmental Property - If at any time, any portion of the property contained in the District is proposed to be sold or otherwise transferred to a unit of local, state, or federal government (without consent of such governmental unit to the imposition of Series 2026 Assessments thereon), or similarly exempt entity, all future unpaid Series 2026 Assessments for such tax parcel shall become due and payable immediately prior to such transfer.

5.3 Assigning Series 2026 Assessments

As the land within Assessment Area Two within the District is not yet platted for its intended final use and the precise location of the various product types by lot or parcel is unknown, the Series 2026 Assessments will initially be levied on all of the land within Assessment Area Two within the District on an equal pro-rata gross acre basis and thus the total bonded debt attributable to the District in the amount of \$16,500,000* will be preliminarily levied on approximately 123.71 +/- acres at a rate of \$133,376.44* per gross acre representing the total acreage of Assessment Area Two.

When the land is platted within Assessment Area Two, the Series 2026 Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 6 in the *Appendix*. Such allocation of Series 2026 Assessments from unplatted gross acres to platted

* Preliminary, subject to change.

parcels will reduce the amounts of Series 2026 Assessments levied on unplatted gross acres within Assessment Area Two.

In the event unplatted land within Assessment Area Two is sold to a third party (the “Transferred Property”), the Series 2026 Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs assigned by the Developer to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Second Supplemental Report. The owner of the Transferred Property will be responsible for the total Series 2026 Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. These total Series 2026 Assessments are allocated to the Transferred Property at the time of the sale.

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to assessable properties within the District. The 2026 Project benefits assessable properties within Assessment Area Two and accrues to all such assessable properties on an ERU basis.

The public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums;
- d. increased marketability and value of the property.

The improvements which are part of the 2026 Project make the land in Assessment Area Two developable and saleable and when implemented jointly as parts of the 2026 Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*. The apportionment of the Series 2026 Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within Assessment Area Two according to reasonable estimates of the special and peculiar benefits derived from the 2026 Project by different unit types.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned ERUs as set forth in Table 4 in the *Appendix* ("Development Plan"). At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

- a. If a Proposed Plat within Assessment Area Two results in the same amount of ERUs (and thus Series 2026 Assessments) able to be imposed on the "Remaining Unplatted Developable Lands" within Assessment Area Two (i.e., those remaining unplatted developable lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Series 2026 Assessments to the product types being platted and the remaining property in accordance with this Second Supplemental Report, and cause the Series 2026 Assessments to be recorded in the District's Improvement Lien Book.
- b. If a Proposed Plat within Assessment Area Two has more than the anticipated ERUs (and Series 2026 Assessments) such that the Remaining Unplatted Developable Lands would be assigned fewer ERUs (and Series 2026 Assessments) than originally contemplated in the Development Plan, then the District may undertake a pro rata reduction of Series 2026 Assessments for all assessed properties within the District, may allocate additional ERUs/ densities for a future bond financing, or may otherwise address such net decrease as permitted by law.
- c. If a Proposed Plat within Assessment Area Two has fewer than the anticipated ERUs (and Series 2026 Assessments) such that

the Remaining Unplatted Developable Lands would have to be assigned more ERUs (and Series 2026 Assessments) in order to fully assign all of the ERUs originally contemplated in the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a “True-Up Payment” equal to the difference between: (i) the Series 2026 Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2026 Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District’s methodology consultant, in consultation with the District Engineer and District Counsel, shall determine in their sole discretion what amount of ERUs (and thus Series 2026 Assessments) are able to be imposed on the Remaining Unplatted Developable Lands within the District, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned within Assessment Area Two, b) the revised, overall development plan showing the number and type of units reasonably planned within Assessment Area Two, c) proof of the amount of entitlements for the Remaining Unplatted Developable Lands within Assessment Area Two, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient Series 2026 Assessments to pay debt service on the Series 2026 Bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat within Assessment Area Two, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the Series 2026 Bonds to the Quarterly Redemption Date (as defined in the supplemental trust indenture relating to the Series 2026 Bonds) that occurs at least forty-five (45) days after the True-Up Payment (or the second succeeding Quarterly Redemption Date if such True-Up Payment is made within forty-five (45) calendar days before a Quarterly Redemption Date).

All Series 2026 Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property within Assessment Area Two for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres within Assessment Area Two, any unallocated Series 2026 Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

5.7 Assessment Roll

Series 2026 Assessments in the estimated amount of \$16,500,000*, plus interest and collection costs, are proposed to be levied over the area described in Exhibit "A". The Series 2026 Assessments shall be paid in thirty (30) annual principal installments.

The Series 2026 Bonds. The Series 2026 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the "Act"), by Ordinance No. 2024-19, enacted by the City Council of the City on March 19, 2024, becoming effective on March 21, 2024 (the "Ordinance"). The Series 2026 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of October 1, 2024 (the "Master Indenture"), as amended and supplemented by a Second Supplemental Trust Indenture dated as of [_____] 1, 2026 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and Regions Bank, as trustee (the "Trustee"), and by Resolution Nos. 2024-27 and

2026-01, adopted by the Board of Supervisors of the District (the "Board") on May 13, 2024 and [February 9], 2026 (collectively, the "Bond Resolution").

Prior to the time of Closing, the Series 2026 Special Assessments, comprising the Series 2026 Pledged Revenues for the Series 2026 Bonds, will have been levied by the District on those lands within the District within the District specially benefited by the 2026 Project pursuant to the Assessment Resolutions (as such terms are defined in the Second Supplemental Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2026 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2026 Bonds, that the entire principal amount of the Series 2026 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2026 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2026 Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Series 2026 Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Series 2026 Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Series 2026 Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2026 Bonds of that maturity or until all Series 2026 Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel. For purposes of this Section, if Series 2026 Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2026 Bonds.

(c) The Underwriter confirms that it has offered the Series 2026 Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Series 2026 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2026 Bonds, the Underwriter will neither offer nor sell unsold Series 2026 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2026 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series 2026 Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2026 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Series 2026 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2026 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2026 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Series 2026 Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2026 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Series 2026 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2026 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2026 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2026 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Series 2026 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2026 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2026 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2026 Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2026 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2026 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2026 Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2026 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2026 Bonds.

(f) The Underwriter acknowledges that sales of any Series 2026 Bond to any person that is a related party to an Underwriter participating in the initial sale of the Series 2026 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2026 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2026 Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2026 Bonds to the public),

(iii) a purchaser of any of the Series 2026 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

3. Use of Documents. Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum dated [_____], 2026 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the

Series 2026 Bonds, being herein collectively called the "Preliminary Limited Offering Memorandum") of the District related to the Series 2026 Bonds that the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Series 2026 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Series 2026 Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date (as defined below) and in sufficient time to allow the Underwriter to comply with all requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated [____], 2026 (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2026 Bonds being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda"). The District hereby authorizes the use of the Limited Offering Memorandum by the Underwriter.

The end of the Underwriting Period shall be the next business day after the Closing Date;

(m) Since its inception, there has been no material adverse change in the properties, businesses, results of operations, prospects, management or financial or other condition of the

District, except as disclosed in the Preliminary Limited Offering Memorandum, and the District has not incurred liabilities that would materially adversely affect its ability to discharge its obligations under the Bond Resolution, the Assessment Resolutions (assuming all have been adopted prior to the Closing Date), the Series 2026 Bonds, the Financing Documents or the Ancillary Agreements to which it is a party, direct or contingent, other than as set forth in or contemplated by the Limited Offering Memoranda;

(n) The District is not now in default and has not been in default at any time after December 31, 1975 in the payment of the principal of or the interest on any governmental security issued or guaranteed by it which would require the disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

(o) Except as disclosed in the Preliminary Limited Offering Memorandum, the District has never failed to comply in any material respect with any continuing disclosure obligations previously undertaken by the District in accordance with the continuing disclosure requirements of the Rule;

(p) Any certificate signed by any official of the District and delivered to the Underwriter will be deemed to be a representation by the District to the Underwriter as to the statements made therein; and

(q) From the date of this Purchase Contract through the Closing Date, the District will not issue any bonds (other than the Series 2026 Bonds), notes or other obligations payable from the Series 2026 Pledged Revenues for the Series 2026 Bonds.

Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" herein.

This Preliminary Limited Offering Memorandum and the information contained herein are subject to completion or amendment. Under no circumstances shall this Preliminary Limited Offering Memorandum constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of the Series 2026 Bonds in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction. The District has deemed this Preliminary Limited Offering Memorandum "final," except for permitted omissions, within the contemplation of Rule 15c2-12 promulgated by the Securities and Exchange Commission.

Indenture and investment earnings thereon, (B) moneys on deposit in the Series 2026 Costs of Issuance Account established under the Second Supplemental Indenture within the Acquisition and Construction Fund; and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). area consists of approximately 103.16 acres of land planned to contain 254 units and is designated as Phase A ("Assessment Area One"). The second assessment area consists of approximately [____] acres of land planned to contain 571 units and are designated as Phases B and C ("Assessment Area Two"). The remaining District Lands are expected to be developed and financed in multiple phases in the future. The portion of the Capital Improvement Plan associated with Assessment Area Two is referred to herein as the Assessment Area Two Project.

The Series 2026 Bonds are being issued to finance a portion of the public infrastructure improvements necessary for the development of Assessment Area Two within the District (the "Assessment Area Two Project" or the "2026 Project"). See "THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA TWO PROJECT" herein for more information. As set forth in the Assessment Methodology (as hereinafter defined), the Series 2026 Bonds will be secured by the Series 2026 Special Assessments, which will initially be levied on the approximately [____] gross acres which comprise Assessment Area Two. As platting of the planned 571 lots within the Assessment Area Two occurs, the Series 2026 Special Assessments will be assigned to the platted lots in Assessment Area Two on a first platted, first assigned basis. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS" and "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

KL Winding Oaks LLC, a Florida limited liability company (the "Developer"), is the landowner and developer for the residential units planned within the Development. See "THE DEVELOPER" herein for more information. The Developer has entered into a Builder Contract (as defined herein) for all 2,030 lots planned for the Development with D.R. Horton, Inc., a Delaware corporation ("Horton" or the "Builder") to be delivered as finished lots upon development completion. See "THE DEVELOPMENT – The Builder Contract and the Builder" herein for more information.

Proceeds of the Series 2026 Bonds will be used to provide funds for (i) the Costs of acquiring and/or constructing a portion of the 2026 Project (as defined herein), (ii) the funding of the Series 2026 Reserve Account equal to the initial Reserve Requirement (as herein defined), (iii) funding interest on the Series 2026 Bonds through at least November 1, 2026, and (iv) the payment of the costs of issuance of the Series 2026 Bonds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2026 Bonds are being issued by the District pursuant to the Act, Resolution Nos. 2024-27 and 2026-[____], adopted by the Board of Supervisors of the District (the "Board") on May 13, 2024 and [February 9], 2026, and a Master Trust Indenture dated as of October 1, 2024 (the "Master Indenture"), as supplemented by a Second Supplemental Trust Indenture dated as of [February] 1, 2026 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and Regions Bank, as trustee (the "Trustee"). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" herein.

The Series 2026 Bonds will be secured by a pledge of the Series 2026 Pledged Revenues (as defined herein), which consist primarily of the revenues received by the District from the Series 2026 Special Assessments (as defined herein) levied and collected on the assessable lands within Assessment Area Two within the District. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS" herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Developer, the Development, the Builder, the Builder Contract, and the 2026 Project and summaries of the terms of the Series 2026 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statute, and all

DESCRIPTION OF THE SERIES 2026 BONDS

General Description

The Series 2026 Bonds are issuable only as fully registered bonds, without coupons, in the denominations of \$5,000 and any integral multiple thereof. The Series 2026 Bonds will mature, subject to the redemption provisions set forth herein, on the dates and in the amounts set forth on the cover page hereof.

The Series 2026 Bonds shall be dated as of the date of initial delivery. Regularly scheduled interest on the Series 2026 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. "Interest Payment Date" means May 1 and November 1 of each year, commencing May 1, 2026, and any other date the principal of the Series 2026 Bonds is paid, including any Quarterly Redemption Date (as defined herein). Interest on the Series 2026 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to May 1, 2026, in which case from the date of initial delivery of the Series 2026 Bonds or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. Interest on the Series 2026 Bonds will be computed in all cases on the basis of a 360-day year consisting of twelve 30-day months. "Quarterly Redemption Date" means each February 1, May 1, August 1 and November 1 of any calendar year.

Upon initial issuance, the ownership of the Series 2026 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), and purchases of beneficial interests in the Series 2026 Bonds will be made in book-entry only form. As long as the Series 2026 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes under the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2026 Bonds ("Beneficial Owners"). Principal of and interest on the Series 2026 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the District. Investors may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2026 Bonds, through Direct Participants and Indirect Participants. During the period for which Cede & Co. is registered owner of the Series 2026 Bonds, any notices to be provided to any Beneficial Owner of such Series 2026 Bonds will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants, and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to

discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time, Bonds of the Series 2026 Bonds may be exchanged for an equal aggregate principal amount of the Series 2026 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "DESCRIPTION OF THE SERIES 2026 BONDS – Book-Entry Only System" below.

The Series 2026 Bonds will initially be sold only to "accredited investors" within the meaning under Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder, although there is no limitation on resales of the Series 2026 Bonds. See "SUITABILITY FOR INVESTMENT" below.

Regions Bank is initially serving as the Trustee, Registrar and Paying Agent for the Series 2026 Bonds.

Redemption Provisions

Optional Redemption

The Series 2026 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after [May] 1, 20__ (less than all Series 2026 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2026 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2026 Optional Redemption Subaccount of the Series 2026 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2026 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2026 Bonds is substantially level.

Mandatory Sinking Fund Redemption

The Series 2026 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2026 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2026 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee in writing revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2026 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2026 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2026 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2026 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2026 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2026 Prepayment Principal deposited into the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account (taking into account the credit from the Series 2026 Reserve Account pursuant to the Second Supplemental Indenture) following a Prepayment in whole or in part of the Series 2026 Special Assessments on any assessable property within Assessment Area Two within the District in accordance with the provisions of the Second Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2026 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2026 Rebate Fund, the Series 2026 Costs of Issuance Account and the Series 2026 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2026 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2026 Acquisition and Construction Account not otherwise reserved to complete the 2026 Project (including any amounts transferred from the Series 2026 Reserve Account) all of which have been transferred to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

Notice of Redemption and of Purchase

When required to redeem or purchase Series 2026 Bonds (as described below) under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be given by Electronic Means or be mailed by first-class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2026 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2026 Bonds for which notice was duly mailed in accordance with the Master Indenture.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2026 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited. If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Series 2026 Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of the Series 2026 Bonds for which funds are sufficient, selecting the Series 2026 Bonds to be redeemed randomly from among all Series 2026 Bonds called for redemption on such date, and among different maturities of Series 2026 Bonds in the same manner as the initial selection of Series 2026 Bonds to be redeemed, and from and after such redemption date, interest on such Series 2026 Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Series 2026 Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Series 2026 Bonds not been called for redemption. The Trustee is authorized under the Indenture to provide conditional notices of redemption.

Purchase of Series 2026 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2026 Sinking Fund Account to the purchase bonds of the Series 2026 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC") will act as securities depository for the Series 2026 Bonds. The Series 2026 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2026 Bond certificate will be issued for each maturity of the Series 2026 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2026 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2026 Bonds on DTC's records. The ownership interest of each actual purchaser of the Series 2026 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2026 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2026 Bonds, except in the event that use of the book-entry system for the Series 2026 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2026 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2026 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2026 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2026 Bonds

are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2026 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2026 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2026 Bond documents. For example, Beneficial Owners of Series 2026 Bonds may wish to ascertain that the nominee holding the Series 2026 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2026 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2026 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2026 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2026 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions*, and interest payments on the Series 2026 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions*, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2026 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2026 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2026 Bond certificates will be printed and delivered to DTC.

* Not applicable to the Series 2026 Bonds.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS

General

THE SERIES 2026 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2026 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY (AS DEFINED HEREIN), THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2026 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2026 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2026 BONDS. THE SERIES 2026 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2026 Bonds will be secured by a pledge of the Series 2026 Pledged Revenues. "Series 2026 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2026 Special Assessments (as defined below) levied and collected on the assessable lands within Assessment Area Two within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2026 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2026 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Second Supplemental Indenture created and established with respect to or for the benefit of the Series 2026 Bonds; provided, however, that Series 2026 Pledged Revenues shall not include (A) any moneys transferred to the Series 2026 Rebate Fund established under the Second Supplemental Indenture and investment earnings thereon, (B) moneys on deposit in the Series 2026 Costs of Issuance Account established under the Second Supplemental Indenture within the Acquisition and Construction Fund; and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

"Series 2026 Special Assessments" shall mean the Special Assessments levied on the assessable lands within Assessment Area Two within the District as a result of the District's acquisition and/or construction of the 2026 Project, corresponding in amount to the debt service on the Series 2026 Bonds and designated as such in the Assessment Methodology (as defined below). See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information regarding the allocation of the Series 2026 Special Assessments.

The Series 2026 Special Assessments are non-ad valorem special assessments imposed and levied by the District pursuant to Section 190.022 of the Act and the Assessment Resolutions (as defined in the Second Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2026 Special Assessments will constitute separate liens against the land as to which the Series 2026 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The Assessment Methodology, which describes the methodology for allocating the Series 2026 Special Assessments to the assessable lands within Assessment Area Two of the District, is included as APPENDIX D attached hereto.

In the Master Indenture, the District covenants that, if any Special Assessment, including the Series 2026 Special Assessments, shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys, with respect to the Series 2026 Special Assessments, shall be deposited into the Series 2026 Revenue Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the District shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

Prepayment of Series 2026 Special Assessments

Pursuant to the Assessment Proceedings, an owner of property subject to the Series 2026 Special Assessments may pay the entire principal balance of such Special Assessment on lands it owns, in whole at any time or in part up to two times, if there is also paid an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding Quarterly Redemption Date for the Series 2026 Bonds which is at least 45 days after the date of the payment.

Pursuant to the Act, an owner of property subject to the levy of Series 2026 Special Assessments may pay the entire balance of the Series 2026 Special Assessments remaining due, without interest, within 30 days after the 2026 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2026 Project pursuant to Chapter 170.09, Florida Statutes. The Developer will covenant to waive this right on behalf of itself and its successors and assigns for the land that it owns in Assessment Area Two within the District in connection with the issuance of the Series 2026 Bonds. Such declaration will be recorded in the public records of the County. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2026 Bonds are subject to extraordinary redemption as indicated under "DESCRIPTION OF THE SERIES 2026 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional or required prepayments of the Series 2026 Special Assessments by property owners. Prepayment of the Series 2026 Special Assessments does not entitle a property owner to any discounts.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the 2026 Project that are to be conveyed by the District to the County, the City, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber the 2026 Project or any part thereof. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" attached hereto for more information.

Additional Obligations

The District will covenant in the Second Supplemental Indenture not to issue any other Bonds or other debt obligations secured by the Series 2026 Special Assessments. Such covenant shall not prohibit the District from issuing refunding Bonds. In addition, the District shall covenant not to issue any other Bonds or debt obligations secured by Special Assessments on the land within Assessment Area Two within the District which secure the Series 2026 Special Assessments, until the Series 2026 Special Assessments are Substantially Absorbed. The District's covenants described above shall not preclude the imposition of

Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. "Substantially Absorbed" means the date at least ninety percent (90%) of the principal portion of the Series 2026 Special Assessments have been assigned to residential units within Assessment Area Two within the District that have received certificates of occupancy. The District shall provide the Trustee with a written certification that the Series 2026 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2026 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2026 Special Assessments, at any time upon the written consent of the Majority Holders. No consent shall be required if such Bonds or other debt obligations will be secured by such Special Assessments levied on any lands within Assessment Area Two within the District which are not subject to the Series 2026 Special Assessments.

Except as expressly set forth above, the District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2026 Special Assessments without the consent of the Owners of the Series 2026 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2026 Special Assessments, on the same lands upon which the Series 2026 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Acquisition and Construction Account

The Second Supplemental Indenture establishes a separate account within the Acquisition and Construction Fund designated therein as the "Series 2026 Acquisition and Construction Account," which shall be held by the Trustee. Net proceeds of the Series 2026 Bonds shall be deposited into the Series 2026 Acquisition and Construction Account in the amount set forth in the Second Supplemental Indenture, together with any other moneys that may be transferred to the Series 2026 Acquisition and Construction Account as provided in the Second Supplemental Indenture. Such moneys in the Series 2026 Acquisition and Construction Account shall be disbursed by the Trustee as set forth in the Indenture, and upon disbursement, the District shall apply such moneys as provided for in the Second Supplemental Indenture and in the Acquisition Agreement.

Subject to the provisions of the Second Supplemental Indenture, any moneys remaining in the Series 2026 Acquisition and Construction Account after the Completion Date and after the expenditure of all moneys remaining therein that have not been requisitioned after satisfaction of the Release Conditions #1, Release Conditions #2 and Release Conditions #3 and upon written notice of the same given by the Developer to the Trustee and the District Manager, except for any moneys reserved therein for the payment of any costs of the 2026 Project owed but not yet requisitioned, as evidenced in a certificate from the District Manager to the Trustee and the District, upon which the Trustee may conclusively rely, and the adoption of a resolution by the District accepting the 2026 Project, a copy of which shall be transferred by the Trustee, upon which the Trustee may conclusively rely, shall be transferred to the Trustee to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account. Subject to the provisions of the Second Supplemental Indenture, the Series 2026 Acquisition and Construction Account shall be closed upon the expenditure of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions #1, Release Conditions #2 and Release Conditions #3. Upon presentment by the District Manager or the District to the Trustee of a properly signed requisition in substantially the form attached to the Second Supplemental Indenture, the Trustee shall withdraw moneys from the Series 2026 Acquisition and Construction Account and makes payment to the Person or Persons so designated in such requisition.

In accordance with the provisions of the Indenture, the Series 2026 Bonds are payable solely from the Series 2026 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the District will acknowledge in the Indenture that the Series 2026 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2026 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2026 Bonds, (i) the Series 2026 Pledged Revenues may not be used by the District (whether to pay costs of the 2026 Project or otherwise) without the consent of the Majority Holders, and (ii) the Series 2026 Pledged Revenues may be used by the Trustee, at the written direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. Prior to any action by the Trustee under this paragraph or pursuant to the terms of the Master Indenture, the Majority Holders shall provide the Trustee an indemnification regarding any actions so directed. The District also acknowledges and agrees in the Second Supplemental Indenture that from and after an Event of Default, the Trustee is authorized to exercise the District's rights under the Collateral Assignment at the written direction of the Majority Holders but without the consent or approval of the District and the District covenants not to enter into any contract regarding the 2026 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" attached hereto for more information.

Series 2026 Reserve Account

The Second Supplemental Indenture establishes a "Series 2026 Reserve Account" within the Debt Service Reserve Fund for the Series 2026 Bonds. The Series 2026 Reserve Account will, at the time of delivery of the Series 2026 Bonds, be funded from a portion of the proceeds of the Series 2026 Bonds in the amount of the initial Series 2026 Reserve Requirement. The "Series 2026 Reserve Requirement" or "Reserve Requirement" shall mean an amount initially equal to the maximum annual debt service with respect to the initial principal amount of the Series 2026 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions #1, the Series 2026 Reserve Requirement shall be reduced to an amount equal to fifty percent (50%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2026 Bonds. Upon satisfaction of the Release Conditions #2, the Series 2026 Reserve Requirement shall be reduced to an amount equal to twenty-five percent (25%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2026 Bonds. Upon satisfaction of Release Conditions #3, the Series 2026 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2026 Bonds. If a portion of the Series 2026 Bonds are redeemed pursuant to the provisions of the Second Supplemental Indenture, the Reserve Requirement shall be reduced in accordance with the provisions of the Second Supplemental Indenture. Any amount in the Series 2026 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2026 Bonds be used to pay principal of and interest on the Series 2026 Bonds at that time. The initial Series 2026 Reserve Requirement shall be equal to \$ _____.

"Release Conditions #1" shall mean collectively (i) the outstanding principal portion of the Series 2026 Special Assessments has been assigned to the lots within Assessment Area Two within the District that have been developed and platted or such lands within Assessment Area Two have been conveyed to homebuilders, either as certified by the District Manager in writing and upon which the Trustee may conclusively rely, and (ii) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

"Release Conditions #2" shall mean collectively (i) all of the principal portion of the Series 2026 Special Assessments have been assigned to lots that have been developed, platted and conveyed to

homebuilders, and (iii) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

"Release Conditions #3" shall mean collectively (i) all planned homes subject to the Series 2026 Special Assessments have each received a certificate of occupancy, (ii) all of the principal portion of the Series 2026 Special Assessments has been assigned to such homes, and (iii) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2026 Reserve Account and transfer, prior to the Completion Date, any excess therein above the Reserve Requirement for the Series 2026 Bonds caused by investment earnings to the Series 2026 Acquisition and Construction Account and after the Completion Date to the Series 2026 Revenue Account in accordance with the Second Supplemental Indenture.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2026 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2026 Bonds to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account if, as a result of the application of the provisions of the Master Indenture relating to remedies in Events of Default, the proceeds received from lands sold subject to the corresponding Series 2026 Special Assessments and applied to redeem a portion of the Series 2026 Bonds are less than the principal amount of the Series 2026 Bonds indebtedness attributable to such lands.

Subject to the provisions of the Second Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2026 Special Assessments relating to the benefited property of such landowner within Assessment Area Two within the District, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2026 Prepayment Principal due by the amount of money in the Series 2026 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2026 Reserve Account shall be transferred by the Trustee to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2026 Bonds in accordance with the Second Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions #1, Release Conditions #2 and Release Conditions #3, as the case may be, the Trustee shall deposit such excess on deposit in the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account and pay such amount deposited in the Series 2026 Acquisition and Construction Account to the Person or Persons designated in a requisition attached as an exhibit to the Second Supplemental Indenture submitted to the District by the Developer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared, provided that there are Costs of the 2026 Project that were not paid from moneys initially deposited in the Series 2026 Acquisition and Construction Account and the Trustee has on file one or more unfunded requisitions ("Unfunded Requisitions"). In the event there are multiple Unfunded Requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no Unfunded

Requisitions on file with the Trustee, such excess moneys transferred from the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account shall be deposited into the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

Upon satisfaction of the Release Conditions #1, Release Conditions #2 and Release Conditions #3, as evidenced by a written certificate of the District Manager delivered to the District and the Trustee, stating that Release Conditions #1, Release Conditions #2 or Release Conditions #3 have been satisfied and setting forth the amount of the new Series 2026 Reserve Requirement, the Trustee shall without further direction reduce the Series 2026 Reserve Requirement to either fifty percent (50%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2026 Bonds, as calculated by the District Manager, upon satisfaction of Release Conditions #1, or twenty-five percent (25%) upon satisfaction of Release Conditions #2 of the maximum annual debt service of the then Outstanding principal amount of the Series 2026 Bonds as calculated by the District Manager, or ten percent (10%) upon satisfaction of Release Conditions #3 of the maximum annual debt service of the then Outstanding principal amount of the Series 2026 Bonds as calculated by the District Manager. The excess amount in the Series 2026 Reserve Account as a result of satisfaction of Release Conditions #1, Release Conditions #2 or Release Conditions #3 shall be transferred to the Series 2026 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the Second Supplemental Indenture, or the District Manager, on behalf of the Issuer, shall calculate the Reserve Requirement and communicate the same to the Trustee in writing and the Trustee shall apply any excess in the Series 2026 Reserve Account, toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Master Indenture if at any time the amount in the Series 2026 Reserve Account established thereunder is less than the Series 2026 Reserve Requirement for such Series 2026 Reserve Account as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirements of the Series 2026 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Application of the Series 2026 Pledged Revenues

The Second Supplemental Indenture establishes a "Series 2026 Revenue Account" within the Revenue Fund for the Series 2026 Bonds. Series 2026 Special Assessments (except for Prepayments of Series 2026 Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Series 2026 Prepayment Subaccount), shall be deposited by the Trustee into the Series 2026 Revenue Account and applied as set forth in the Second Supplemental Indenture. Pursuant to the Second Supplemental Indenture, the Trustee shall transfer from amounts on deposit in the Series 2026 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2026, to the Series 2026 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2026 Bonds becoming due on the next succeeding May 1, less any amount on deposit in the Series 2026 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2026, to the Series 2026 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2026 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2026 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 2027, to the Series 2026 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2026 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2026 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is a principal payment date for any Series 2026 Bonds, to the Series 2026 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2026 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2026 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2026 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2026 Revenue Account to the Series 2026 Interest Account, the amount necessary to pay interest on the Series 2026 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2026 Bonds remain Outstanding, to the Series 2026 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2026 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2026 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2026 Bonds and next, any balance in the Series 2026 Revenue Account shall remain on deposit in such Series 2026 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2026 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2026 Accounts within the Series 2026 Reserve Account only in Investment Securities (as defined in the Master Indenture). All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments under the Master Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2026 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit

in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the Series 2026 Revenue Account of the Revenue Fund.

Absent specific instructions as aforesaid or absent standing instructions from the District for investment of such moneys, then the Trustee shall not be responsible or liable for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the District or otherwise. The Trustee may make any investments described under this heading through its own bond department or investment department.

The Trustee shall value the assets in each of the Funds and Accounts established under the Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established under the Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" attached hereto for more information.

Master Indenture Provisions Relating to Bankruptcy of Developer or Other Obligated Person

For purposes of this heading, (a) each Series of Bonds, including the Series 2026 Bonds, secured by and payable from Special Assessments, including the Series 2026 Special Assessments, levied against property owned by any Insolvent Taxpayer (as defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments."

The Master Indenture contains the following provisions which shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District will agree that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The District will acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the repayment of the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, will agree that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to

a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein for more information.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in the Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion provided the action does not seek to reduce the amount of any Special Assessment. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2026 Special Assessments relating to the Series 2026 Bonds Outstanding whether such claim is pursued by the District or the Trustee.

Events of Default and Remedies

The Maser Indenture will provide that each of the following shall be an "Event of Default" under the Master Indenture with respect to the Series 2026 Bonds:

(a) if payment of any installment of interest on any Series 2026 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2026 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, which failure or incapacity may reasonably be determined solely by the Majority Holders; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2026 Bond issued pursuant to the Indenture, and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Series 2026 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as, the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if any time the amount in any Series 2026 Reserve Account is less than the Series 2026 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2026 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District Lands upon which the Series 2026 Special Assessments are levied to secure the Series 2026 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid within ninety (90) days when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (e) above has occurred.

No Series 2026 Bonds shall be subject to acceleration. Upon the occurrence and continuance of an Event of Default with respect to the Series 2026 Bonds, no optional redemption or extraordinary mandatory redemption of Series 2026 Bonds pursuant to the Indenture shall occur unless all of the Series 2026 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Series 2026 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2026 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of not less than a majority of the aggregate principal amount of the Outstanding Series 2026 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2026 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2026 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2026 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2026 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2026 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2026 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the applicable Paying Agent and the Bondholders shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

The Majority Holders of the Outstanding Series 2026 Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the applicable Indenture, provided that such directions shall not be otherwise than in accordance with applicable law or the provisions of the Indenture.

No Bondholder shall have any right to pursue any remedy under the Indenture unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the Outstanding Series 2026 Bonds shall have requested the Trustee, in writing, to exercise the powers granted in such Indenture or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2026 Bonds is the collection of Series 2026 Special Assessments imposed on the assessable lands within Assessment Area Two specially benefited by the 2026 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto.

The imposition, levy, and collection of Series 2026 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Marion County Tax Collector ("Tax Collector") or the Marion County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2026 Special Assessments during any year. Such delays in the collection of Series 2026 Special Assessments, or complete inability to collect the Series 2026 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2026 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2026 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2026 Bonds.

For the Series 2026 Special Assessments to be valid, the Series 2026 Special Assessments must meet two requirements: (1) the benefit from the 2026 Project to the lands subject to the Series 2026 Special

Assessments must exceed or equal the amount of the Series 2026 Special Assessments, and (2) the Series 2026 Special Assessments must be fairly and reasonably allocated across all such benefited properties.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2026 Special Assessments through a variety of methods. See "BONDOWNERS' RISKS." Initially, with respect to any assessable lands within Assessment Area Two which have not yet been platted or platted lands still owned by the Developer, unless the Trustee at the direction of the Majority Holders directs the District otherwise, or when the timing for using the Uniform Method of Collection (the "Uniform Method") afforded by Chapter 197, Florida Statutes, will not yet allow for using such method, the District will directly issue annual bills to landowners requiring payment of the Series 2026 Special Assessments and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto. As lands are platted and sold, the Series 2026 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing and Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2026 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2026 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2026 Special Assessments and the ability to foreclose the lien of such Series 2026 Special Assessments upon the failure to pay such Series 2026 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2026 Special Assessments. See "BONDHOLDER'S RISKS."

Uniform Method Procedure

Subject to certain conditions, the District may alternatively elect to collect the Series 2026 Special Assessments using the Uniform Method. The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2026 Special Assessments to be levied and then collected in this manner.

If the Uniform Method is used, the Series 2026 Special Assessments will be collected together with County, City, school, special district, and other ad valorem taxes and non-ad valorem assessments (together,

"Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2026 Special Assessments – are to be billed, and landowners within Assessment Area Two within the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2026 Special Assessments. In other words, any partial prepayment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2026 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2026 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2026 Bonds.

Under the Uniform Method, if the Series 2026 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2026 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2026 Special Assessments, (2) that future landowners and taxpayers within Assessment Area Two within the District will pay such Series 2026 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2026 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2026 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2026 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest,

which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2026 Special Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the Clerk of the Circuit Court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the Clerk of the Circuit Court shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2026 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2026 Special Assessments, which are the primary source of payment of the Series 2026 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDHOLDERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2026 Bonds offered hereby and are set forth below. Prospective investors in the Series 2026 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2026 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2026 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2026 Bonds.

Concentration of Land Ownership

As of the date hereof, the Developer owns all of the assessable lands within Assessment Area Two, which are the lands that will be subject to the Series 2026 Special Assessments securing the Series 2026 Bonds. Payment of the Series 2026 Special Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners in Assessment Area Two. Non-payment of the Series 2026 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2026 Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2026 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2026 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2026 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2026 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2026 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2026 Bonds, including, without limitation, enforcement of the obligation to pay Series 2026 Special Assessments and the ability of the District to foreclose the lien of the Series 2026 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2026 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2026 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2026 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2026 Bonds is the timely collection of the Series 2026 Special Assessments. The Series 2026 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2026 Special Assessments or that they will pay such Series 2026 Special Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Series 2026 Special Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Series 2026 Special Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2026 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2026 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2026 Special Assessments may ultimately depend on the market value of the land subject to the Series 2026 Special Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2026 Special Assessments is a

relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2026 Special Assessments, which may also be affected by the value of the land subject to the Series 2026 Special Assessments, is also an important factor in the collection of Series 2026 Special Assessments. The failure of the Developer or subsequent landowners to pay the Series 2026 Special Assessments could render the District unable to collect delinquent Series 2026 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2026 Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area Two and the likelihood of timely payment of principal and interest on the Series 2026 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2026 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2026 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands Assessment Area Two.

The value of the lands subject to the Series 2026 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2026 Bonds. The Series 2026 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area Two and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, changes in federal economic or trade policies, changes in impact or other fees, fluctuations in the real estate market

and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2026 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. County, City, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2026 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2026 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2026 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2026 Special Assessment, even though the landowner is not contesting the amount of the Series 2026 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2026 Bonds

The Series 2026 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2026 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2026 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2026 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2026 Bonds, depending on the progress of development of the Development and the lands within Assessment Area Two, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2026 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2026 Bonds because of the moneys on deposit in the Series 2026 Reserve Account. The ability of moneys on deposit in the Series 2026 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2026 Special Assessments is dependent on the amount, duration

and frequency of such deficiencies, as well as the amount of money then on deposit in the Series 2026 Reserve Account, which is subject to release and recalculation based on parameters set forth in the Indenture. Moneys on deposit in the Series 2026 Reserve Account may be invested in certain obligations permitted under the Master Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2026 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2026 Special Assessments, the moneys on deposit in the Series 2026 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2026 Bonds could be materially adversely affected. In addition, during an Event of Default under the Master Indenture, the Trustee may withdraw moneys from the Series 2026 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2026 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2026 Special Assessments in order to provide for the replenishment of the Series 2026 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Series 2026 Reserve Account" herein for more information about the Series 2026 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2026 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2026 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Series 2026 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not

a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2026 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2026 Bonds are advised that, if the IRS does audit the Series 2026 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2026 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2026 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2026 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS

with respect to the tax-exempt status of interest on the Series 2026 Bonds would adversely affect the availability of any secondary market for the Series 2026 Bonds. Should interest on the Series 2026 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2026 Bonds be required to pay income taxes on the interest received on such Series 2026 Bonds and related penalties, but because the interest rate on such Series 2026 Bonds will not be adequate to compensate Owners of the Series 2026 Bonds for the income taxes due on such interest, the value of the Series 2026 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2026 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2026 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2026 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2026 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2026 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2026 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2026 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2026 Bonds would need to ensure that subsequent transfers of the Series 2026 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2026 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2026 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the

impact that any existing or future legislation will or may have on the security for the Series 2026 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "[t]he state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to ... levy and collect the ... assessments ... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not in any way impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the 2026 Project will exceed the available net proceeds from the Series 2026 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2026 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the 2026 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Additional Obligations" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the 2026 Project regardless of the insufficiency of proceeds from the Series 2026 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation, and the Developer is a special-purpose entity whose assets consist primarily of its interest in the Development. See "THE DEVELOPER" herein for more information.

There are no assurances that the 2026 Project and any other remaining development work associated with the Assessment Area Two will be completed. Further, there is a possibility that, even if Assessment Area Two is developed, the Builder may not close on all or any of the lots therein, and such failure to close could negatively impact the construction and sale of homes in Assessment Area Two. The Builder Contract may also be terminated by the Builder upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – Builder Contract" herein for more information about the Builder and the Builder Contract.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, the purchase of lots therein by the Builder and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2026 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2026 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2026 Special Assessments by the Developer or subsequent owners of the property within Assessment Area Two. Any such redemptions of the Series 2026 Bonds would be at the principal amount of such Series 2026 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2026 Bonds may not realize their anticipated rate of return on the Series 2026 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2026 Bonds. See "DESCRIPTION OF THE SERIES 2026 BONDS – Redemption Provisions," "– Purchase of Series 2026 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Prepayment of Series 2026 Special Assessments" herein for more information.

Payment of Series 2026 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within Assessment Area Two of the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2026 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District was established by Ordinance No. 2024-19, enacted by the City Council of the City of Ocala, Florida (the "City") on March 19, 2024, becoming effective on March 21, 2024, under the provisions of the Act. The boundaries of the District include approximately 460.120 gross acres of land (the "District Lands"). The District Lands are generally located south of SW 66th Street, east of SW 54th Court Road and north of SW 80th Street. See "THE DEVELOPMENT" herein for more information. The District may in the future expand its boundaries to include additional lands from the Development.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors (the "Board") the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2026 Bonds.

Board of Supervisors

The Act provides that a five-member Board serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election is required to be held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

After the initial election, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

Name	Title	Term Expires
William "Bill" Fife*	Chairman	November 2028
Stephanie Vaughn*	Vice Chair	November 2026
Kara Disotell*	Assistant Secretary	November 2028
Pete Williams	Assistant Secretary	November 2026
Greg Beliveau	Assistant Secretary	November 2026

* Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 2300 Glades Rd., Ste. #410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Kimley-Horn and Associates, Inc., Ocala, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as Dissemination Agent for the Series 2026 Bonds.

Outstanding Bond Indebtedness

The District previously issued its Special Assessment Bonds, Series 2024 (Assessment Area One Project) (the "Series 2024 Bonds") on November 7, 2024, in the original aggregate principal amount of \$5,015,000, of which \$5,015,000 was outstanding as of December 31, 2025. The Series 2024 Bonds are secured by the special assessments assigned to the lands within Assessment Area One of the District, which lands are separate and distinct from the lands within Assessment Area Two that are subject to the Series 2026 Special Assessments securing the Series 2026 Bonds.

THE CAPITAL IMPROVEMENT PLAN AND THE 2026 PROJECT

Kimley-Horn and Associates, Inc. (the "District Engineer") prepared the Engineer's Report for the Winding Oaks Community Development District, dated May 2024, as revised August 2024 (the "Master Report"), as supplemented by the Second Supplemental Engineer's Report for the Winding Oaks Community Development District, dated January 2026 (the "Supplemental Report" and together with the Master Report, the "Engineer's Report"). The Engineer's Report sets forth certain public infrastructure improvements for the development of the residential lots planned for the District (the "Capital Improvement Plan").

Land development associated with the District is being phased. Multiple assessment areas have been and will be created to facilitate the District's financing plans. The first phase and assessment area consists of approximately 103.16 acres of land planned to contain 254 units and is designated as Phase A ("Assessment Area One"). The second assessment area consists of approximately ____ acres of land planned to contain 571 units and are designated as Phases B and C ("Assessment Area Two"). The remaining District Lands are expected to be developed and financed in multiple phases in the future.

The portion of the Capital Improvement Plan associated with Assessment Area One is referred to herein as the Assessment Area One Project. The portion of the Capital Improvement Plan associated with Assessment Area Two is referred to herein as the Assessment Area Two Project.

The District previously issued its Series 2024 Bonds to finance a portion of the Assessment Area One Project. As of the date hereof, all 254 lots in Assessment Area One have been developed and platted. See "THE DEVELOPMENT – Update on Assessment Area One" herein for more information.

The Series 2026 Bonds are being issued to finance a portion of the Assessment Area Two Project. The District Engineer, in the Supplemental Engineer's Report, estimated the total cost of the Assessment Area Two Project to be approximately \$15,098,159, as more particularly described below.

<u>Assessment Area Two Project Description</u>	<u>Assessment Area Two Costs</u>
Stormwater System	\$2,719,012
Roadways	3,201,568

1. SW 66th Street turn lane improvements at SW 47th Terrace (Residential Phase 4 [4C] entry).
2. Street lighting rental anticipated along SW 66th Street and SW 49th Avenue Road adjacent to Residential Phases 3 and 4.

Land development associated with Assessment Area Two is expected to commence in February 2026 and will be phased with final completion expected by the first quarter of 2027. See "THE DEVELOPMENT" herein for more information.

The Developer anticipates the total cost to develop Assessment Area Two will be approximately \$24.6 million. As of January 31, 2026, the Developer has spent or incurred approximately \$900,000 in soft costs associated with Assessment Area Two. The available net proceeds of the Series 2026 Bonds are expected to be approximately \$14.0 million* and such proceeds will be used by the District towards the construction and/or acquisition of a portion of the Assessment Area Two Project from the Developer. The Developer plans on funding the remaining Assessment Area Two land development costs from equity and lot sale proceeds from the Builder Contract (as defined herein). The Developer will enter into a completion agreement that will obligate the Developer to complete the Assessment Area Two Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The District anticipates issuing additional bonds in the future in order to finance certain portions of the Capital Improvement Plan associated with the remaining District lands outside of Assessment Area Two. Such bonds will be secured by special assessments levied on lands which are separate and distinct from the Assessment Area Two lands on which the Series 2026 Special Assessments will be levied. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS" herein for more information.

The District Engineer has indicated that all engineering permits necessary to construct the Assessment Area Two Project that are set forth in the Engineer's Report have been obtained or are reasonably expected to be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the zoning and permitting status of the District. See "APPENDIX C: ENGINEER'S REPORT" attached hereto for more information regarding the above improvements.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Master Special Assessment Methodology Report dated May 13, 2024, as revised July 17, 2024 (the "Master Methodology"), as supplemented by the Preliminary Second Supplemental Special Assessment Methodology Report dated [January 12, 2026] (the "Supplemental Methodology" and together with the Master Methodology, the "Assessment Methodology"), which allocates the Series 2026 Special Assessments to certain lands within Assessment Area Two within the District, has been prepared by Wrathell, Hunt & Associates, LLC, Boca Raton, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2026 Bonds are determined, the Supplemental Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2026 Special Assessments will be first liens on the assessable lands within Assessment Area Two within the District against which they are assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

As set forth in the Assessment Methodology, the Series 2026 Special Assessments are initially levied on approximately ___ gross acres within Assessment Area Two until such time as lots in Assessment Area Two are platted. As platting of the planned 571 lots within Assessment Area Two occurs, the Series 2026 Special Assessments will be assigned to platted lots in Assessment Area Two on a first platted, first assigned basis. Assuming that all of the 571 planned residential units within Assessment Area Two are developed and platted, then the Series 2026 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS."

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2026 Special Assessments Per Unit*</u>	<u>Series 2026 Bonds Par Debt Per Unit</u>

Single-Family 60'	<u>24</u>	\$2,763	\$38,649
Total	571		

*The annual Series 2026 Special Assessments will be grossed up to include County collection costs currently at 3% and an early collection discount allowance currently at 4%. The Series 2026 Special Assessments shown above for the Villas assume certain Developer contributions of infrastructure and/or work product. At the time of closing with the Builder, the Developer expects to prepay a portion of the Series 2026 Special Assessments in order to achieve annual assessment levels of \$1,125 per villa, \$1,200 per 40' lot, \$1,500 per 50' lot, and \$1,800 per 60' lot. The total expected prepayment in order to achieve such target annual assessment levels is approximately \$5,750,000. See "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto for more information.

The District anticipates levying assessments to cover its operation and maintenance costs that will initially be approximately \$[131] per unit annually; which is subject to change in future tax years. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The City, the County and the School Board each levy ad valorem taxes annually upon the land in the District. Voters may approve additional millages levied for general obligation bonds, as to which no limit applies. The total millage rate in the District in 2025 was approximately 17.1408 mills. These taxes will be payable in addition to the Series 2026 Special Assessments and other assessments levied by the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years, taxes levied by these other

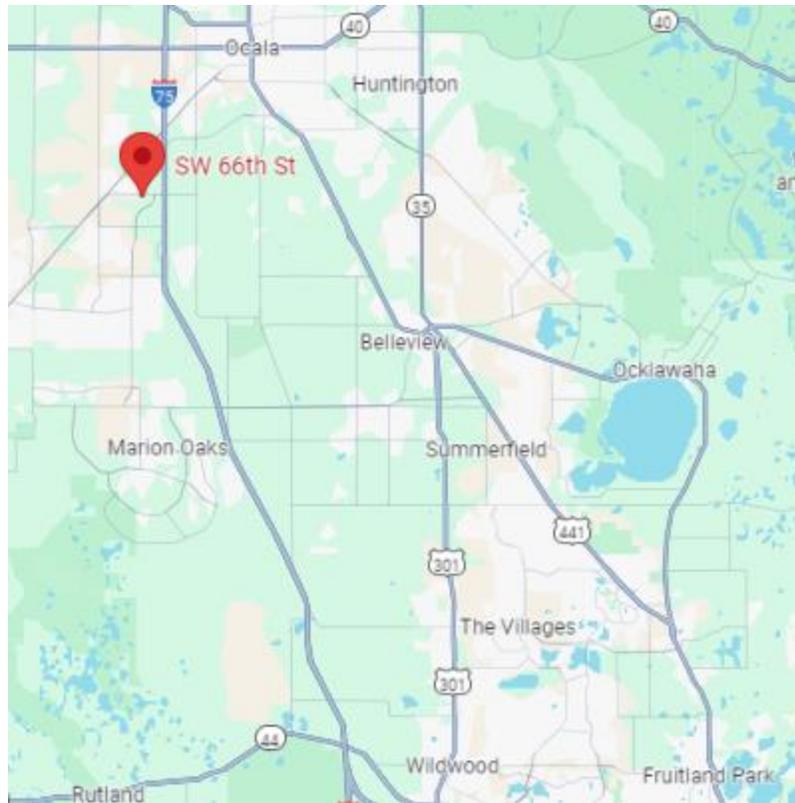

entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information, including applicable homeowners' association fees.

The information appearing below under the captions "THE DEVELOPMENT" and "THE DEVELOPER" has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2026 Bonds or the Series 2026 Special Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 460.12 gross acres located in the City of Ocala (the "City") within Marion County, Florida (the "County") are being developed as a gated, age-restricted, 55+ single-family home community known as "Winding Oaks" that is currently planned for 1,650 residential units. The District Lands are part of a larger development that totals approximately 735 acres in the aggregate which is planned for a total of 2,030 residential units along with certain commercial uses (collectively, the "Development"). The Development is located approximately 20 miles north of The Villages. The Development is adjacent to the Marion Ranch community which is being marketed by Pulte, Lennar, and Maronda Homes. The general location of the Development is shown below.

Land development has, and is being phased. Multiple assessment areas have been and will be created in order to facilitate the District's financing plans. The first phase and assessment area consists of approximately 103.16 acres of land planned to contain 254 units and is designated as Phase A ("Assessment Area One"). The second assessment area consists of approximately ____ acres of land planned to contain 571 units and are designated as Phases B and C ("Assessment Area Two"). The remaining District Lands are expected to be developed and financed in multiple phases in the future.

The District previously issued its Series 2024 Bonds to finance a portion of the Assessment Area One Project. As of the date hereof, all 254 lots in Assessment Area One have been developed and platted, of which approximately 105 have closed with the Builder in accordance with the Builder Contract. See "THE DEVELOPMENT – Update on Assessment Area One" herein for more information.

The Series 2026 Bonds are being issued to finance a portion of the Assessment Area Two Project. The Series 2026 Bonds will be secured by the Series 2026 Special Assessments, which will initially be levied on the approximately _____ gross acres which comprise Assessment Area Two. As platting of the planned 571 lots within the Assessment Area Two occurs, the Series 2026 Special Assessments will be assigned to the platted lots in Assessment Area Two on a first platted, first assigned basis. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

KL Winding Oaks LLC, a Florida limited liability company (the "Developer"), is the landowner and developer of the residential units planned within the District. See "THE DEVELOPER" herein for more information. The Developer has entered into a builder contract for all 2,030 residential lots planned for the Development with D.R. Horton, Inc., a Delaware corporation ("Horton" or the "Builder"), which lots are to be delivered as finished lots in take-downs upon development completion (the "Builder Contract"). See "– The Builder Contract and the Builder" herein for more information.

At build-out, Assessment Area Two is planned to contain approximately 571 units, consisting of (i) 86 villa units, (ii) 210 single-family homes on 40' wide lots, (iii) 251 single-family homes on 50' wide lots, and (iv) 24 single-family homes on 60' wide lots. Homes will range in size from approximately 1,526 square feet to 2,794 square feet and starting price points will range from approximately \$275,990 to \$434,990. See "Residential Product Offerings" herein for more information.

Update on Assessment Area One

The District previously issued its Series 2024 Bonds to finance a portion of the Assessment Area One Project. As of the date hereof, all 254 lots in Assessment Area One have been developed and platted, of which approximately 105 have closed with the Builder in accordance with the Builder Contract.

Land Acquisition and Finance Plan

The Developer acquired the approximately 735 gross acres of land that comprise the Development for approximately \$31,725,000, of which approximately 460.12 acres lie within the District. The Developer calculates its land basis in Assessment Area Two to be approximately \$6,281,000.

The Developer estimates the total land development cost associated with the 571 lots planned for Assessment Area Two will be approximately \$24.9 million. As of January 31, 2026, the Developer has spent or incurred approximately \$900,000 in soft costs associated with Assessment Area Two. The available net proceeds from the Series 2026 Bonds are expected to be approximately \$14.0 million* and such proceeds will be used by the District towards the construction and/or acquisition of a portion of the Assessment Area Two Project from the Developer.

The Developer plans on funding the remaining Assessment Area Two land development costs from equity and lot sale proceeds. The Developer will enter into a completion agreement that will obligate the Developer to complete the Assessment Area Two Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Plan and Status

Land development associated with Assessment Area Two is expected to commence in February 2026 with clearing and mass grading for all of Assessment Area Two. Parcel specific infrastructure installation will be split into two phases as set forth below.

Phase B. Phase B is planned to contain 276 units, consisting of (i) 38 villa units, (ii) 110 single-family homes on 40' wide lots, (iii) 118 single-family homes on 50' wide lots, and (iv) 10 single-family homes on 60' wide lots. Parcel specific infrastructure installation associated with Phase B commenced in January 2026, with completion expected by October 2026, at which point lots will be delivered to the Builder in accordance with the Builder Contract. Lot sales are expected in July 2026. The Builder is expected to commence sales and vertical construction within Phase B shortly thereafter. A final plat for the 276 lots planned for Phase B is expected to be recorded by July 2026.

Phase C. Phase C is planned to contain 295 units, consisting of (i) 48 villa units, (ii) 100 single-family homes on 40' wide lots, (iii) 133 single-family homes on 50' wide lots, and (iv) 14 single-family homes on 60' wide lots. Parcel specific infrastructure installation associated with Phase C is expected to commence in the fourth quarter of 2026, with completion expected by the third quarter of 2027, at which

* Preliminary, subject to change.

point lots will be delivered to the Builder in accordance with the Builder Contract. A final plat for the 295 lots planned for Phase C is expected to be recorded by the third quarter of 2027.

The Developer anticipates that approximately 168 units will be sold and closed with homebuyers per annum within Assessment Area Two, commencing in the third quarter of 2026 until build out. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Builder Contract and The Builder

The Developer has entered into a Lot Purchase Agreement dated June 13, 2024, as amended (the "Builder Contract"), for all 2,030 residential lots planned for the Development with D.R. Horton, Inc., a Delaware corporation ("Horton" or the "Builder"), to be delivered in takedowns as finished lots upon development completion. The total expected consideration for the sale of all 2,030 lots planned for the Development prior to application of an annual escalator is approximately \$144,640,875, of which approximately \$39,778,050 is attributable to the 571 lots planned for Assessment Area Two. The base purchase price for the lots in Phases B and C are \$58,125.00 per Villa, \$62,000 per 40' lot, \$77,500 per 50' lot and \$93,000 per 60' lot, which are subject to annual escalation and adjustment as set forth in the Builder Contract. [Confirm amendment with price increase entered into.]

Lots will be purchased in takedowns. The initial closing of 105 lots located within Assessment Area One of the District occurred on January 15, 2026. The second closing on 42 additional lots is expected to occur 90 days after the later of the initial closing Date or the date of receipt of the certificate of completion for the initial closing lots, with closings of no fewer than 42 additional lots every 90 days thereafter until all lots within the Development have been purchased. The Developer anticipates that Horton will have acquired all of the 571 lots in Assessment Area Two subject to the Builder Contract by October 2029.

Pursuant to the Builder Contract, Horton made a deposit of \$14,420,712.50 in July 2024, which deposit has been released to the Developer and is secured by a mortgage on the lots in Assessment Area Two, as well as other lands within the Development. Horton's obligation to close on lots in Assessment Area Two under the Builder Contract is conditioned, among other things, upon the completion of the development of such lots. In the event the Developer is not able to satisfy the conditions in the Builder Contract, there is a risk that Horton will not close on any or all of the lots within Assessment Area Two. The Developer is also required to commence construction on certain amenities that cost no less than \$7 million within 90 days of the initial closing, with completion within 15 months after the Initial Closing within Assessment Area One. [Construction plan permits are expected in Nov-2025, need update] See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

D.R. Horton is a Delaware corporation whose stock trades on the New York Stock Exchange under the symbol DHI. D.R. Horton is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the "SEC"). The SEC file number for D.R. Horton is No-1-14122. Such reports, proxy statements, and other information are available at the SEC's internet website at <http://www.sec.gov>. All documents subsequently filed by D.R. Horton pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

Neither the Builder nor any entities listed herein are guaranteeing payment of the Series 2026 Bonds or the Series 2026 Special Assessments.

Development Approvals

[all below from last deal, need to update status]

[any material development obligations?]

[Please confirm transportation and school concurrency and utility access.]

[any outstanding permits?]

The land within the District, including, without limitation, the land in Assessment Area Two subject to the Series 2026 Special Assessments, is zoned to allow for the contemplated residential uses described herein.

[The Developer has water utility permits for Phase 4 and anticipates receiving water utility permits for Phase 3A in the fourth quarter of 2024. The Developer is working with the City on the connection route to an offsite force main located approximately 500 feet offsite and anticipates receiving sewer utility permits for Phases 3A and 4A in the fourth quarter of 2024. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course.] [Needs to be updated for AA2]

A Concurrency Development Agreement with the City requires the conveyance of the SW 60th Avenue, SW 49th Avenue and SW 66th Street rights-of-way and related drainage retention areas to the City, as well as proportionate fee mitigation payments to be made to the City in the amount of \$4,749,487 and to the County in the amount of \$1,083,909, which are Impact Fee creditable on a dollar-for-dollar basis.

The City is requiring that the Developer enter into a Developer's Agreement with the City for Phases 1 and 2, and a separate Developer's Agreement for Phases 3, 4, 5 and 6 of the Development (collectively, the "Developer's Agreement") whereby the Developer will be obligated to construct certain public improvements, all of which are included in the Assessment Area Two Project. The Developer's obligations under the Developer's Agreement must be completed, or the Developer may provide a letter of credit in the amount of one hundred twenty percent (120%) of the approved cost estimate which guarantees

to the City the performance of Developer's obligations under the Developer's Agreement, in order for the City to execute and record the plat of the subdivision or issue certificates of occupancy. Additionally, pursuant to the terms of the Developer's Agreement, the Developer is expected to pay solid waste impact fees in the amount of \$265 per residential unit within the Development. [Has the Developer's Agreement been entered into?]

The Developer has entered into a Cost Sharing Agreement with the Marion County School Board whereby each will agree to share costs of designing, permitting, installing, and constructing certain shared improvements comprised primarily of certain improvements associated with SW 71st Place Road and SW 49th Avenue. The Developer has included the cost of such improvements in its total land development cost estimates. See "- Land Acquisition and Finance Plan" herein for more information.] [Status?]

Environmental

A Phase I Environmental Site Assessment dated February 22, 2024 (the "ESA"), was prepared covering the Development. The ESA revealed no evidence of recognized environmental condition ("REC") in connection with the land in the District or Assessment Area Two. The ESA did, however, find evidence of one REC on land adjacent to the District comprised of an excavated pit used for disposal and burning of farm operation waste; however; it was noted as not a significant threat of releases to the environment identified in association with the current uses of the subject property or immediately adjoining lands during the inspection conducted. The Developer anticipates remediating this REC in the ordinary course of development. See "BONDOWNERS' RISK – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

Amenities

The District Lands are planned to contain an approximately 3.66-acre community area that serves the non-active adult homes that will include a club house, resort style pool, pickle ball courts, dog park, meeting room, and fitness room (collectively, the "Amenity"). Construction of the Amenity will commence in the first quarter of 2026 and is expected to be completed in January 2027 at a total cost of approximately \$4.9 million. Additionally, the Developer will construct an active-adult amenity on an approximately 4.15-acre site that will include a club house, office, a resort-style swimming pool, multi-purpose field, dog park, and tot lot (collectively, the "Active-Adult Amenity" and together with the Amenity, the "Amenities"). Construction of the Active-Adult Amenity will commence in the second quarter of 2026 and is expected to be completed in the first quarter of 2027 at a total cost of approximately \$2.9 million. The Amenities are not part of the Capital Improvement Plan and will not be financed by the District.

Utilities

Potable water and wastewater treatment for the District Lands in Assessment Area Two are expected to be provided by the City. Electric power is expected to be provided by Ocala Electric Utility and SECO Energy. All utility services are available to the property or are expected in the ordinary course.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2026 Special Assessments are initially levied on approximately ____ gross acres within Assessment Area Two until such time as lots in Assessment Area Two are platted. As platting of the planned 571 lots within Assessment Area Two occurs, the Series 2026 Special Assessments will be assigned to platted lots in Assessment Area Two on a first platted, first assigned basis. Assuming that all of the 571 planned residential units within Assessment Area Two are developed and platted, then the Series 2026 Special Assessments will be allocated on a per unit

basis below and as set forth in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS."

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2026 Special Assessments Per Unit*</u>	<u>Series 2026 Bonds Par Debt Per Unit</u>
Villas	86	\$1,727	\$24,156
Single-Family 40'	210	\$1,842	\$25,766
Single-Family 50'	251	\$2,302	\$32,208
Single-Family 60'	<u>24</u>	\$2,763	\$38,649
Total	571		

*The annual Series 2026 Special Assessments will be grossed up to include County collection costs currently at 3% and an early collection discount allowance currently at 4%. The Series 2026 Special Assessments shown above for the Villas assume certain Developer contributions of infrastructure and/or work product. At the time of closing with the Builder, the Developer expects to prepay a portion of the Series 2026 Special Assessments in order to achieve annual assessment levels of \$1,125 per villa, \$1,200 per 40' lot, \$1,500 per 50' lot, and \$1,800 per 60' lot. The total expected prepayment in order to achieve such target annual assessment levels is approximately \$5,750,000. See "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto for more information.

The District will continue to levy assessments to cover its operation and maintenance costs that are currently approximately \$[131] per unit annually; which is subject to change in future tax years. In addition, residents will be required to pay homeowners association fees, which are currently estimated to be \$[420] per year per unit for the master association and between [\$2,040 and \$2,100] for the neighborhood association. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The City, the County and the School Board each levy ad valorem taxes annually upon the land in the District. Voters may approve additional millages levied for general obligation bonds, as to which no limit applies. The total millage rate in the District in 2025 was approximately 17.1408 mills, which millage rate is subject to change in future tax years. These taxes will be payable in addition to the Series 2026 Special Assessments and other assessments levied by the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years, taxes levied by these other entities could be substantially higher than in the current year.

Education

The public schools for children residing in the Development are expected to be an as of yet unnamed elementary school located adjacent to the Developer's lands which is currently under construction, and Liberty Middle School and West Port High School which are located approximately 1.5 miles and 3 miles from the Development, respectively, and which were rated "B", and "B", respectively, by the Florida Department of Education in 2025. The Marion County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

The following communities have been identified by the Developer as being competitive with the Development, because of their proximity to the Development, price ranges and product types. Those communities include Marion Ranch, Pioneer Ranch, On Top of the World, Calesa Township, and Stone Creek.

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

Developer Agreements

The Developer will enter into a completion agreement that will obligate the Developer to complete the Assessment Area Two Project. In addition, the Developer will execute and deliver to the District a Collateral Assignment Agreement (the "Collateral Assignment"), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Assessment Area Two Project. That said, the Developer has previously granted similar rights ("Prior Collateral Assignments") in connection with the issuance of the Series 2024 Bonds, and such rights under such Prior Collateral Assignments are superior to and may take priority over the rights granted under the Collateral Assignment. In addition, mortgagees may have certain development rights and other rights assigned to them relating to portions of the Assessment Area Two lands, which rights may be superior to the rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2026 Special Assessments as a result of a Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, if any, will not have all of the permits and entitlements necessary to complete the Assessment Area Two Project or the development of Assessment Area Two. Finally, the Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area Two increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism." Such obligations of the Developer are unsecured obligations, and the Developer is a special-purpose entity whose assets consist primarily of its interests in the District Lands. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE DEVELOPER" herein for more information regarding the Developer.

THE DEVELOPER

KL Winding Oaks LLC, a Florida limited liability company (the "Developer"), is the owner and developer of the lands in the District. The Developer was formed on June 14, 2024. The Kolter Group LLC, a Florida limited liability company ("The Kolter Group") is the manager and generally manages the day-to-day operations of the Developer. The Kolter Group, through its affiliated entities and personnel, are the sole members of the Developer, which is comprised of (i) 90.5% limited liability companies affiliated with The Kolter Group and (iii) 9.5% personnel affiliated with The Kolter Group. Further information regarding Kolter Group is set forth below.

The Kolter Group is a private investment firm focused on real estate development and investment and based in Delray Beach, Florida. Kolter Group and its predecessors and affiliates (collectively, "Kolter"), currently include four residential development business units, detailed below. Kolter has sponsored over \$24 billion of real estate projects throughout the southeastern United States (including Florida, Georgia, South Carolina, North Carolina and Tennessee). In Florida alone, Kolter has completed or is in the process of developing over 100 projects that are expected to total over 50,000 homesites.

Neither the Developer nor any of the other entities listed above are guaranteeing payment of the Series 2026 Bonds or the Series 2026 Special Assessments. None of the entities listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Series 2026 Bonds.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2026 Bonds in order that the interest on the Series 2026 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2026 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2026 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2026 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2026 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2026 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2026 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2026 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should consult their own tax advisors as to the status of interest on the Series 2026 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2026 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2026 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2026 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2026 Bonds, or the ownership or disposition of the Series 2026 Bonds. Prospective purchasers of Series 2026 Bonds should be aware that the ownership of Series 2026 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2026 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2026 Bonds, (iii) the inclusion of the interest on the Series 2026 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2026 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2026 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2026 Bonds generally must be taken into account when

computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2026 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2026 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2026 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2026 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2026 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2026 Bonds, or adversely affect the market price or marketability of the Series 2026 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2026 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2026 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2026 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2026 Bonds and proceeds from the sale of Series 2026 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2026 Bonds. This withholding generally applies if the owner of Series 2026 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2026 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2026 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2026 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2026 Bonds. Investment in the Series 2026 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2026 Bonds upon an Event of Default under the Master Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Master Indenture and the Series 2026 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2026 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District, threatened against the District and seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2026 Bonds, or in any way contesting or affecting (i) the validity of the Series 2026 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2026 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

The Developer will represent prior to the delivery of the Series 2026 Bonds that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened against the Developer, which could reasonably be expected to have a material and adverse effect upon the completion of the 2026 Project or the development of the Assessment Area Two lands as described herein, materially and adversely affect the ability of the Developer to pay the Series 2026 Special Assessments imposed against the land within Assessment Area Two of the District owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the Consulting Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2026 Bonds. Except for the payment of certain fees to District Counsel, the Consulting Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2026 Bonds.

NO RATING

No application for a rating for the Series 2026 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2026 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report attached as APPENDIX C to this Limited Offering Memorandum has been prepared by Kimley-Horn and Associates, Inc., Ocala, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D attached hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2026 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

This District will covenant in the Disclosure Agreement (as hereinafter defined), the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Market Access ("EMMA") system as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2026. Attached hereto as APPENDIX F is a copy of the District's unaudited monthly financial statements for the period ended October 31, 2025. The District does not have audited financial statements because the District has not yet met the threshold under State law requiring an audit. The Series 2026 Bonds are not general obligation bonds of the District and are payable solely from the Series 2026 Pledged Revenues.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default as to principal or interest on its bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX E, for the benefit of the Series 2026 Bondholders (including owners of beneficial interests in such Series 2026 Bonds), to provide certain financial information and operating data relating to the District and the development of the Assessment Area Two lands by certain dates prescribed in the Disclosure Agreement and to provide notice of certain enumerated material events (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the

Master Indenture, but such event of default under the Disclosure Agreement would allow the Series 2026 Bondholders (including owners of beneficial interests in such Series 2026 Bonds), as applicable, to bring an action for specific performance.

The District has previously entered into a continuing disclosure undertaking pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule") with respect to its Series 2024 Bonds. A review of filings made pursuant to such prior undertaking indicates that the District has not materially failed to comply with its requirements thereunder within the last five years. The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement. The Developer has previously entered into a continuing disclosure undertaking pursuant to the Rule, with respect to the District's Series 2024 Bonds. A review of filings made pursuant to such prior undertaking indicates that the Developer has not materially failed to comply with the requirements thereunder within the last five years. The Developer anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

UNDERWRITING

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2026 Bonds from the District at a purchase price of \$ _____ (par amount of the Series 2026 Bonds, [plus/less net original issue premium/discount of \$ _____ and] and less an Underwriter's discount of \$ _____). The Underwriter's obligations are subject to certain conditions precedent and, subject to satisfaction or waiver of such conditions, the Underwriter will be obligated to purchase all of the Series 2026 Bonds if any Series 2026 Bonds are purchased.

The Underwriter intends to offer the Series 2026 Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2026 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

VALIDATION

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Fifth Judicial Circuit Court of Florida in and for Marion County, Florida, rendered on September 9, 2024. As a condition to closing on the Series 2026 Bonds, the period of time during which an appeal can be taken shall expire with no appeal having been filed.

Certain legal matters related to the authorization, sale and delivery of the Series 2026 Bonds are subject to the approval of Greenberg Traurig, P.A., West Palm Beach, Florida, Bond Counsel. Book-Entry Form of Series 2026 Bonds. The Series 2026 Bonds shall be issued as one fully registered bond for each maturity of Series 2026 Bonds and deposited with The Depository Trust Company (“DTC”), which is responsible for establishing and maintaining records of ownership for its participants.

As long as the Series 2026 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered Owner for all purposes hereof and in the Master Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants (“Direct Participants”) and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2026 Bonds (“Beneficial Owners”).

The Issuer, the Trustee, the Registrar and the Paying Agent shall have no responsibility or obligation to any Direct Participant or to any Indirect Participant. Without limiting the immediately preceding sentence, the Issuer, the Trustee, the Registrar and the Paying Agent shall have no responsibility or obligation with respect to (a) the accuracy of the records of DTC, Cede & Co., or any Direct Participant or Indirect Participant with respect to any ownership interest in the Series 2026 Bonds, (b) the delivery to any Direct Participant or Indirect Participant or any other person other than a registered Owner, as shown in the registration books kept by the Registrar, of any notice with respect to the Series 2026 Bonds, including any notice of redemption, or (c) the payment to any Direct Participant or Indirect Participant or any other person, other than a registered Owner, as shown in the registration books kept by the Registrar, of any amount with respect to principal of, or interest on the Series 2026 Bonds. The Issuer, the Trustee, the Registrar and the Paying Agent shall treat and consider the person in whose name each Series 2026 Bond is registered in the registration books kept by the Registrar as the absolute registered Owner of such Series 2026 Bond for the purpose of payment of principal and interest with respect to such Series

2026 Bond, for the purpose of giving notices of redemption and other matters with respect to such Series 2026 Bond, for the purpose of registering transfers with respect to such Series 2026 Bond, and for all other purposes whatsoever.

Principal and interest on the Series 2026 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2026 Bonds, through Direct Participants and Indirect Participants.

During the period for which Cede & Co. is registered Owner of the Series 2026 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer in accordance with the procedures of DTC. In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2026 Bonds in the form of fully registered Series 2026 Bonds in accordance with the written instructions from Cede & Co.

Upon receipt by the Trustee or the Issuer of written notice from DTC (a) confirming that DTC has received written notice from the Issuer to the effect that a continuation of the requirement that all of the Outstanding Series 2026 Bonds be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, is not in the best interest of the Beneficial Owners of the Series 2026 Bonds, or (b) to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute bond depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, the Series 2026 Bonds shall no longer be restricted to being registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names Registered Owners transferring or exchanging the Series 2026 Bonds shall designate, in accordance with the provisions hereof.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the written instructions from DTC or its successor and after such time Series 2026 Bonds may be exchanged for an equal aggregate principal amount of Series

2026 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

Appointment of Registrar and Paying Agent. The Issuer shall keep, at the designated corporate trust office of the Registrar, books (the “Bond Register”) for the registration, transfer and exchange of the Series 2026 Bonds, and hereby appoints Regions Bank, as its Registrar to keep such books and make such registrations, transfers, and exchanges as required hereby. Regions Bank hereby accepts its appointment as Registrar and its duties and responsibilities as Registrar hereunder. Registrations, transfers and exchanges shall be without charge to the Bondholder requesting such registration, transfer or exchange, but such Bondholder shall pay any taxes or other governmental charges on all registrations, transfers and exchanges.

The Issuer hereby appoints Regions Bank as Paying Agent for the Series 2026 Bonds. Regions Bank hereby accepts its appointment as Paying Agent and its duties and responsibilities as Paying Agent hereunder.

Conditions Precedent to Issuance of the Series 2026 Bonds. In addition to complying with the requirements set forth in the Master Indenture in connection with the issuance of the Series 2026 Bonds, all the Series 2026 Bonds shall be executed by the Issuer for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the Issuer or upon its order, but only upon the further receipt by the Trustee of:

- (a) Certified copies of the Assessment Resolutions;

- (d) A certificate of an authorized officer of the Issuer to the effect that, upon the authentication and delivery of the Series 2026 Bonds, the Issuer will not be in default in the performance of the terms and provisions of the Master Indenture or this Second Supplemental Indenture; and
- (e) An executed copy of the Collateral Assignment.

Receipt by the Trustee of the net proceeds from the initial sale of the Series 2026 Bonds shall constitute conclusive evidence of the fulfillment of the conditions precedent for the issuance of the Series 2026 Bonds set forth in this Section 2.09 to the satisfaction of the Issuer and the Underwriter.

If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2026 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2026 Bonds is substantially level.

(c) Pursuant to Section 6.04 of the Master Indenture, a separate Account within the Debt Service Fund designated as the “Series 2026 Principal Account” is hereby established and shall be held by the Trustee. Moneys shall be deposited into the Series 2026 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this Second Supplemental Indenture, and applied for the purposes provided therein.

Moneys deposited into the Series 2026 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this Second Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, another separate Account within the Debt Service Fund designated as the “Series 2026 Sinking Fund Account” is hereby established and shall be held by the Trustee. Moneys shall be deposited into the Series 2026 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this Second Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this Second Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, a separate Account within the Debt Service Reserve Fund designated as the “Series 2026 Reserve Account” is hereby established and shall be held by the Trustee. Proceeds of the Series 2026 Bonds shall be deposited into the Series 2026 Reserve Account in the amount set forth in Section 2.06 of this Second Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2026 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this Second Supplemental Indenture.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2026 Reserve Account and transfer, prior to the Completion Date, any excess therein above the Reserve Requirement for the Series 2026 Bonds caused by investment earnings to the Series 2026 Acquisition and Construction Account and, after the Completion Date, to the Series 2026 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2026 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority

Holders of the Series 2026 Bonds to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2026 Special Assessments and applied to redeem a portion of the Series 2026 Bonds is less than the principal amount of Series 2026 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2026 Special Assessments relating to the benefited property of such landowner within Assessment Area Two within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager to, on behalf of the Issuer, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2026 Prepayment Principal due by the amount of money in the Series 2026 Reserve Account that will be in excess of the Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2026 Reserve Account shall be transferred by the Trustee to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2026 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions #1, Release Conditions #2 or Release Conditions #3, as the case may be, the Trustee shall deposit such excess on deposit in the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account and pay such amount deposited in the Series 2026 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit "C" submitted to the Issuer by the Developer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2026 Project that were not paid from moneys initially deposited in the Series 2026 Acquisition and Construction Account and the Trustee has on file one or more unfunded requisitions ("Unfunded Requisitions"). In the event there are multiple Unfunded Requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account shall be deposited into the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

Upon satisfaction of the Release Conditions #1, Release Conditions #2 or Release Conditions #3, as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions #1, Release Conditions #2 or Release Conditions #3 have been satisfied and setting forth the amount of the new Series 2026 Reserve Requirement, the Trustee shall without further direction reduce the Series 2026 Reserve Requirement to either fifty percent (50%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2026 Bonds, as calculated by the District Manager, upon satisfaction of Release Conditions #1, or to twenty-five percent (25%) of the maximum

annual debt service of the then Outstanding principal amount of the Series 2026 Bonds, as calculated by the District Manager upon satisfaction of Release Conditions #2, or ten percent (10%) upon satisfaction of Release Conditions #3 of the maximum annual debt service of the then Outstanding principal amount of the Series 2026 Bonds as calculated by the District Manager. The excess amount in the Series 2026 Reserve Account as a result of satisfaction of Release Conditions #1 or Release Conditions #2 or Release Conditions #3 shall be transferred to the Series 2026 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

(h) Moneys that are deposited into the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2026 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof, or in part pursuant to Section 3.01(b)(iii) hereof.

(j) There is hereby established a Series 2026 Rebate Fund designated as the “Series 2026 Rebate Fund,” which shall be held by the Trustee. Moneys shall be deposited into the Series 2026 Rebate Fund, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2026 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2026 Bonds pursuant to Section 3.01(a) hereof.

FIRST, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2026, to the Series 2026 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2026 Bonds becoming due on the next succeeding May 1, less any amount on deposit in the Series 2026 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2026, to the Series 2026 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2026 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2026 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 2027, to the Series 2026 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2026 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2026 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is a principal payment date for any Series 2026 Bonds, to the Series 2026 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2026 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2026 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2026 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2026 Revenue Account to the Series 2026 Interest Account, the amount necessary to pay interest on the Series 2026 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2026 Bonds remain Outstanding, to the Series 2026 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2026 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2026 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2026 Bonds and next, any balance in the Series 2026 Revenue Account shall remain on deposit in such Series 2026 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2026 Rebate Fund, in which case, the Issuer shall direct the Trustee in writing to make such deposit thereto.

Power to Issue Series 2026 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2026 Bonds, to execute and deliver the Indenture and to pledge the Series 2026 Pledged Revenues for the benefit of the Series 2026 Bonds to the extent set forth herein. The Series 2026 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2026 Bonds, except as otherwise permitted under the Master Indenture. The Series 2026 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2026 Bonds under the Indenture against all claims and demands of all persons whomsoever.

2026 Project to Conform to Consulting Engineer's Report. Upon the issuance of the Series 2026 Bonds, the Issuer shall promptly proceed to construct or acquire the 2026 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Series 2026 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2026 Special Assessments may, at its option, or as a result of acceleration of the Series 2026 Special Assessments because of non-payment thereof or as a result of true-up payment, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2026 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2026 Special Assessment, which shall constitute Series 2026 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date being a March 15, June 15, September 15 or December 15), attributable to the property subject to the Series 2026 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2026 Reserve Account will exceed the Reserve Requirement for the Series 2026 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) and the resulting redemption of the Series 2026 Bonds in accordance with Section 3.01(b)(i) of this Second Supplemental Indenture, the excess amount shall be transferred from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account as a credit against the Series 2026 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager upon which the Trustee may conclusively rely, on behalf of the Issuer, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2026 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2026 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2026 Bonds, there will be sufficient Series 2026 Pledged Revenues to pay the principal and interest, when due, on all Series 2026 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2026 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately

pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2026 Special Assessment has been paid in whole or in part and that such Series 2026 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2026 Prepayment Principal. The Trustee shall calculate the amount available for extraordinary mandatory redemption of the Series 2026 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each Quarterly Redemption Date being a March 15, June 15, September 15, or December 15 and will withdraw money from the Series 2026 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed in writing by the Issuer or the District Manager on behalf of the Issuer in accordance with Section 4.01(f) hereof and Section 4.05(a) hereof. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2026 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2026 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2026 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

ARTICLE V
COVENANTS AND DESIGNATIONS OF THE ISSUER

Collection of Series 2026 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2026 Special Assessments relating to the acquisition and construction of the 2026 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2026 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands within Assessment Area Two which have not yet been platted, or platted lands still owned by the Developer unless the Trustee at the written direction of the Majority Holders directs the Issuer otherwise or the timing for using the Uniform Method will not yet allow for using such method. In addition to, and not in limitation of, the covenants contained elsewhere in this Second Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2026 Special Assessments, and to levy the Series 2026 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2026 Bonds when due. All Series 2026 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2026 Accounts and subaccounts therein created hereunder.

Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2026 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding Bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations, secured by Special Assessments on the land within Assessment Area Two within the District which secure the Series 2026 Special Assessments, until the Series 2026 Special Assessments are Substantially Absorbed. The Issuer’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Issuer shall provide the Trustee with a written certification that the Series 2026 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2026 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2026 Special Assessments, at any time upon the written consent of the

Majority Holders. No consent shall be required if such Bonds or other debt obligations will be secured by such Special Assessments levied on any lands within Assessment Area Two within the District which are not subject to the Series 2026 Special Assessments.

Acknowledgement Regarding Series 2026 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2026 Bonds are payable solely from the Series 2026 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2026 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2026 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2026 Bonds, (i) the Series 2026 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2026 Project or otherwise) without the written consent of the Majority Holders, and (ii) the Series 2026 Pledged Revenues may be used by the Trustee, at the written direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. Prior to any action by the Trustee under this Section 5.05 or Section 10.05 of the Master Indenture, the Majority Holders shall provide the Trustee an indemnification regarding any actions so directed. The Issuer also acknowledges and agrees that from and after an Event of Default, the Trustee is authorized to exercise the Issuer's rights under the Collateral Assignment at the written direction of the Majority Holders but without the consent or approval of the Issuer, and the Issuer covenants not to enter into any contract regarding the 2026 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

Extraordinary Mandatory Redemption in Whole or in Part

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part on any date (other than in the case of clause (i) below which extraordinary

mandatory redemption in part must occur on a Quarterly Redemption Date), at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date.

(i) from Series 2026 Prepayment Principal deposited into the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account (taking into account the credit from the Series 2026 Reserve Account pursuant to Section 4.05 of the Second Supplemental Indenture) following the Prepayment in whole or in part of Series 2026 Special Assessments on any assessable property within Assessment Area Two within the District in accordance with the provisions of Section 4.05 of the Second Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2026 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2026 Rebate Fund, the Series 2026 Costs of Issuance Account and the Series 2026 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2026 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2026 Acquisition and Construction Account not otherwise reserved to complete the 2026 Project (including any amounts transferred from the Series 2026 Reserve Account) all of which have been transferred to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

Except as otherwise provided in the Indenture, if less than all of the Bonds subject to redemption shall be called for redemption, the particular such Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the Indenture.

Notice of each redemption of the Bonds is required to be mailed by the Trustee by first class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of the Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Registrar. Further notice of redemption shall be given by the Trustee to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of

Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

The Issuer shall keep books for the registration of the Bonds at the designated corporate trust office of the Registrar in Jacksonville, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

RESOLUTION 2026-02

**[SUPPLEMENTAL ASSESSMENT RESOLUTION WITH DELEGATION OF AUTHORITY -
WINDING OAKS COMMUNITY DEVELOPMENT DISTRICT - ASSESSMENT AREA TWO]**

A RESOLUTION SETTING FORTH THE SPECIFIC TERMS OF THE DISTRICT'S SPECIAL ASSESSMENT BONDS, SERIES 2026 (ASSESSMENT AREA TWO); MAKING CERTAIN ADDITIONAL FINDINGS AND CONFIRMING AND/OR ADOPTING AN ENGINEER'S REPORT AND A SUPPLEMENTAL ASSESSMENT REPORT; DELEGATING AUTHORITY TO PREPARE FINAL REPORTS AND UPDATE THIS RESOLUTION; CONFIRMING THE MAXIMUM ASSESSMENT LIEN SECURING THE BONDS; ADDRESSING THE ALLOCATION AND COLLECTION OF THE ASSESSMENTS SECURING THE BONDS; ADDRESSING PREPAYMENTS; ADDRESSING TRUE-UP PAYMENTS; PROVIDING FOR THE SUPPLEMENTATION OF THE IMPROVEMENT LIEN BOOK; AND PROVIDING FOR CONFLICTS, SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, the Winding Oaks Community Development District ("**District**") has previously indicated its intention to undertake, install, establish, construct or acquire certain public improvements and to finance such public improvements through the issuance of bonds secured by the imposition of special assessments on benefited property within the District; and

WHEREAS, the District's Board of Supervisors ("**Board**") has previously adopted, after proper notice and public hearing, Resolution Nos. 2024-26 and 2024-29 ("**Master Assessment Resolution**"), relating to the imposition, levy, collection and enforcement of such special assessments, and establishing a master lien over the property within the District, which lien remains inchoate until the District issues bonds, as provided in the Master Assessment Resolution; and

WHEREAS, the Master Assessment Resolution provides that as each series of bonds is issued to fund all or any portion of the District's improvements, a supplemental resolution may be adopted to set forth the specific terms of the bonds and certify the amount of the lien of the special assessments securing any portion of the bonds, including interest, costs of issuance, the number of payments due, and the application of receipt of any true-up proceeds; and

WHEREAS, on February 9, 2026, and in order to finance all or a portion of what is known as the "Assessment Area Two Project" (herein, "**Project**"), the District adopted Resolution 2026-01 ("**Delegated Award Resolution**"), which authorized the District to enter into a *Bond Purchase Contract* and sell its Special Assessment Bonds, Series 2026 (Assessment Area Two) ("**Bonds**") within certain parameters set forth in the Delegated Award Resolution; and

WHEREAS, the District intends to secure the Bonds by levying debt service special assessments ("**Assessments**") pursuant to the terms of the Master Assessment Resolution, in accordance with the supplemental trust indenture applicable to the Bonds and associated financing documents; and

WHEREAS, pursuant to and consistent with the Master Assessment Resolution and Delegated Award Resolution, the District desires to authorize the finalization of its Assessments, among other actions.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE WINDING OAKS COMMUNITY DEVELOPMENT DISTRICT AS FOLLOWS:

1. **INCORPORATION OF RECITALS.** All of the above representations, findings and determinations contained above are recognized as true and accurate and are expressly incorporated into this Resolution.

2. **AUTHORITY FOR THIS RESOLUTION.** This Resolution is adopted pursuant to the provisions of Florida law, including Chapters 170, 190 and 197, *Florida Statutes*, and the Master Assessment Resolution.

3. **ADDITIONAL FINDINGS; ADOPTION OF ENGINEER'S REPORT AND SUPPLEMENTAL ASSESSMENT REPORT.** The Board hereby finds and determines as follows:

- a. The *Second Supplemental Engineer's Report* attached to this Resolution as **Exhibit A ("Engineer's Report")**, identifies and describes, among other things, the presently expected compTwonts and estimated costs of the Project. The District hereby confirms that the Project serves a proper, essential and valid public purpose. The Engineer's Report is hereby approved, adopted, and confirmed in substantial form. The District authorizes and ratifies its use in connection with the sale of the Bonds, subject to any changes deemed necessary under Section 4.a herein.
- b. The *Final Second Supplemental Assessment Methodology Report*, attached to this Resolution as **Exhibit B ("Supplemental Assessment Report")**, applies the *Master Special Assessment Methodology Report* dated May 13, 2024, as revised July 17, 2024 ("**Master Assessment Report**") to the Project and the actual terms of the Bonds. The Supplemental Assessment Report is hereby approved, adopted and confirmed in substantial form. The District authorizes and ratifies its use in connection with the sale of the Bonds, subject to any changes deemed necessary under Section 4.a. herein.
- c. Generally speaking, and subject to the terms of **Exhibit A** and **Exhibit B**, the Project benefits all developable property within the "Assessment Area Two," as further described in **Exhibit C** attached hereto ("**Assessment Area**"). Moreover, the benefits from the Project funded by the Bonds equal or exceed the amount of the special assessments ("**Assessments**"), as described in **Exhibit B**, and such the Assessments are fairly and reasonably allocated across the Assessment Area. It is reasonable, proper, just and right to assess the portion of the costs of the Project to be financed with the Bonds to the specially benefited properties within the Assessment Area as set forth in Master Assessment Resolution and this Resolution.

4. **CONFIRMATION OF MAXIMUM ASSESSMENT LIEN SECURING THE BONDS; DELEGATION OF AUTHORITY FOR DISTRICT STAFF TO ISSUE FINAL REPORTS AND UPDATE THIS RESOLUTION.** As provided in the Master Assessment Resolution, this Resolution is intended to set forth the terms of the Bonds and the final amount of the lien of the Assessments. In connection with the closing on the sale of the Bonds, District Staff is authorized to:

- a. Prepare final versions of the Engineer's Report and Supplemental Assessment Report attached hereto as **Exhibit A** and **Exhibit B**, respectively, to incorporate final pricing terms and make such other revisions as may be deemed necessary, provided however that:
 - i. the Assessments shall be levied and imposed within the parameters of the Master Assessment Resolution and Delegated Award Resolution,
 - ii. the final versions shall be approved by the Chairperson or, in the Chairperson's absence, the Vice Chairperson, and in the absence or unavailability of the Vice Chairman, any other member of the Board, which approval shall be conclusively evidenced by executed of the Bond Purchase Contract and closing on the Bonds, and
 - iii. the actual amounts financed, costs of issuance, expected costs of collection, and the total amount of assessments pledged to the issuance of the Bonds, which amount shall be consistent with the lien imposed by the Master Assessment Resolution, and shall all be as set forth in the final Supplemental Assessment Report.
- b. After pricing of the Bonds, the District Manager is directed to attach a **Composite Exhibit D** to this Resolution showing: (i) Maturities and Coupon of Bonds, (ii) Sources and Uses of Funds for Bonds, and (iii) Annual Debt Service Payment Due on Bonds; and
- c. Upon closing on the District's Bonds, the District's Secretary is hereby authorized and directed to record a Notice of Assessments in the Official Records of the County in which the District is located, or such other instrument evidencing the actions taken by the District. The lien of the Assessments shall be the principal amount due on the Bonds, together with interest and collection costs, and other pledged revenues as set forth in the applicable indenture(s), and shall cover all developable acreage within the Assessment Area, as further provided in the assessment roll included in the Supplemental Assessment Report, and as such land is ultimately defined and set forth in site plans or other designations of developable acreage.

5. **ALLOCATION AND COLLECTION OF THE ASSESSMENTS.**

- a. The Assessments shall be allocated in accordance with **Exhibit B**. The final Assessment Report to be attached as **Exhibit B** shall reflect the actual terms of the issuance of the Bonds.
- b. The Master Assessment Resolution sets forth the terms for collection and enforcement of the Assessments. The District hereby certifies the Assessments for collection to ensure payment of debt service as set forth in **Exhibit B** and **Composite Exhibit D**. The District Manager is directed and authorized to take all actions necessary to collect special assessments on property using methods available to the District authorized by Florida law and the applicable trust indenture in order to provide for the timely payment of debt service (and after taking into account any capitalized interest period, if any). Among other things, the District Manager shall prepare or cause to be prepared each year an

assessment roll for purposes of effecting the collection of the Assessments and present same to the Board as required by law.

6. **IMPACT FEE CREDITS.** Consistent with the Master Assessment Resolution, and without intending to limit the same, and in lieu of receiving impact fee credits from any public improvements financed by the District, the District may elect to receive a contribution of infrastructure, reduce the cost of acquiring the improvements, or otherwise address any impact fee credits applicable to the Project.

7. **PREPAYMENT OF ASSESSMENTS.** Any owner of property subject to the Assessments may, at its option, pre-pay the entire amount of the Assessments any time, or a portion of the amount of the Assessments up to two (2) times (or as otherwise provided by the Supplemental Indenture for the Bonds), plus any applicable interest (as provided for in the Supplemental Indenture for the Bonds), attributable to the property subject to the Assessments owned by such owner. In connection with any prepayment of Assessments, the District may grant a discount equal to all or part of the payee's proportionate share of financing costs (e.g., reserves) to the extent such discounts are provided for under the applicable trust indenture. Except as otherwise set forth herein, the terms of the Master Assessment Resolution addressing prepayment of assessments shall continue to apply in full force and effect.

8. **APPLICATION OF TRUE-UP PAYMENTS.** The terms of the Master Assessment Resolution addressing True-Up Payments, as defined therein, shall continue to apply in full force and effect.

9. **IMPROVEMENT LIEN BOOK.** Immediately following the closing on the District's Bonds, the Assessments as reflected herein shall be recorded by the Secretary of the Board in the District's Improvement Lien Book. The Assessments shall be and shall remain a legal, valid and binding Second lien against all benefitted property as described in **Exhibit B** until paid and such lien shall be coequal with the lien of all state, county, district, municipal or other governmental taxes and superior in dignity to all other liens, titles, and claims.

10. **ADDITIONAL AUTHORIZATION.** The Chairman, the Secretary, and all other Supervisors, officers and staff of the District are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the Bonds, and final levy of the Assessments, and the consummation of all transactions in connection therewith, including the execution of all certificates, documents, papers, notices, and agreements necessary to the undertaking and fulfillment of all transactions referred to in or contemplated by the this Resolution. The Vice Chairman is hereby authorized to act in the stead of the Chairman in any undertaking authorized or required of the Chairman hereunder, and in the absence of the Chairman and Vice Chairman, any other member of the District's Board of Supervisors is so authorized, and any Assistant Secretary is hereby authorized to act in the stead of the Secretary in any undertaking authorized or required of the Secretary hereunder.

11. **CONFLICTS.** This Resolution is intended to supplement the Master Assessment Resolution, which remains in full force and effect and is applicable to the Bonds except as modified herein. This Resolution and the Master Assessment Resolution shall be construed to the maximum extent possible to give full force and effect to the provisions of each resolution, provided however that to the extent of any conflict, this Resolution shall control. All District resolutions or parts thereof in actual conflict with this Resolution are, to the extent of such conflict, superseded and repealed.

12. **SEVERABILITY.** If any section or part of a section of this Resolution is declared invalid or unconstitutional, the validity, force and effect of any other section or part of a section of this Resolution

**COMPLETION AGREEMENT
(2026 BONDS)**

THIS COMPLETION AGREEMENT (“Agreement”) is made and entered into, by and between:

WINDING OAKS COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, with a mailing address of c/o Wrathell, Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (“**District**”); and

KL WINDING OAKS LLC, a Florida limited liability company, and the owner and developer of certain lands within the boundaries of the District, with a mailing address of 105 NE 1st Street, Delray Beach, Florida 33444 (“**Developer**”).

RECITALS

WHEREAS, the District was established by ordinance pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, and acquiring certain infrastructure, roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Developer is the developer of certain lands in within the boundaries of the District; and

WHEREAS, the District presently intends to undertake the planning, design, acquisition, construction, and installation of certain public infrastructure improvements for what is known as the “2026 Project” (“**Project**”);

WHEREAS, the Project consists of the portions of the capital improvement plan necessary for the development of Assessment Area One as described in that certain *First Supplemental Engineer’s Report*, dated January 2026 (“**Engineer’s Report**”), which is attached to this Agreement as **Exhibit A**; and

WHEREAS, the District intends to finance a portion of the Project through the use of proceeds from the anticipated sale of its Special Assessment Bonds, Series 2026 (Assessment Area Two) (“**Bonds**”); and

WHEREAS, the Developer and the District hereby agree that the District will be obligated only to issue the Bonds to fund the Project and, subject to the terms and conditions of this Agreement, the Developer will make provision for any additional funds that may be needed in the future for the completion of the Project.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the District and the Developer agree as follows:

1. **INCORPORATION OF RECITALS.** The recitals stated above are true and correct and by this reference are incorporated herein as a material part of this Agreement.

2. **COMPLETION OF PROJECT.** The Developer and District agree and acknowledge that the District's proposed Bonds will provide only a portion of the funds necessary to complete the Project. Therefore, the Developer hereby agrees to complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the improvements in the Project which remain unfunded including, but not limited to, all administrative, legal, warranty, engineering, permitting or other related work product and soft costs (together, "**Remaining Improvements**") whether pursuant to existing contracts, including change orders thereto, or future contracts. The District and Developer hereby acknowledge and agree that the District's execution of this Agreement constitutes the manner and mean, as described below, by which the District and the Developer have elected to provide any and all portions of the Remaining Improvements not funded by the Bonds (including any amounts available in the applicable acquisition and construction account as well as debt service reserve accounts, as established for the Bonds pursuant to the terms of the applicable trust indenture(s)).

- a. **Subject to Existing Contract** - When all or any portion of the Remaining Improvements are the subject of an existing District contract, the Developer shall provide funds or cause funds to be provided directly to the District in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto.
- b. **Not Subject to Existing Contract** – When any portion of the Remaining Improvements is not the subject of an existing District contract, the Developer may choose to complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, those Remaining Improvements.
- c. **Future Bonds** – Subject to the terms of the *Acquisition Agreement*, dated _____ ("**Acquisition Agreement**") entered into by the parties, the parties agree that any funds provided by Developer to fund the Remaining Improvements may be later payable from, and the District's acquisition of the Remaining Improvements may be payable from, the proceeds of a future issuance of bonds by the District (i.e., other than the Bonds). Within forty-five (45) days of receipt of sufficient funds by the District for the District's improvements and facilities (including but not limited to any Remaining Improvements) and from the issuance of such future bonds, the District shall reimburse Developer to the extent that there are proceeds available from such future bonds, exclusive of interest, for the funds and/or improvements provided pursuant to this Agreement; provided, however, that no such obligation shall exist where the Developer is in default on the payment of any debt service assessments due on any property owned by the Developer, and, further, in the event the District's bond counsel determines that any such monies advanced or expenses incurred are not properly reimbursable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to reimburse such monies advanced or expenses incurred. Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness – other than the Bonds – to provide funds for any portion of the Remaining Improvements. The Developer shall be required to meet its obligations hereunder and

complete the Project regardless whether the District issues any future bonds (other than the Bonds) or otherwise pays the Developer for any of the Remaining Improvements. Interest shall not accrue on any amounts owed hereunder. If within five (5) years of the date of this Agreement, the District does not or cannot issue such future bonds, and, thus does not reimburse the Developer for the funds or improvements advanced hereunder, then the parties agree that the District shall have no reimbursement obligation whatsoever.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS

- a. **Material Changes to Project** – The District and the Developer agree and acknowledge that the exact location, size, configuration and composition of the Project may change from that described in the Engineer’s Report, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Project shall be made by a written amendment to the Engineer’s Report, which shall include an estimate of the cost of the changes, and shall require the consent of the Developer and the District, as well as the Trustee to the extent required by Section 9. Such consent is not necessary and the Developer must meet the completion obligations, or cause them to be met, when the scope, configuration, size and/or composition of the Project is materially changed in response to a requirement imposed by a regulatory agency.
- b. **Conveyances** – The District and Developer agree and acknowledge that any and all portions of the Remaining Improvements which are constructed, or caused to be constructed, by the Developer shall be conveyed to the District or such other appropriate unit of local government as is designated in the Engineer’s Report or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government. Further, all such conveyances shall done in a manner consistent with the Acquisition Agreement and, without intending to limit the same, shall include all necessary real property interests for the District to own, operate and maintain the Remaining Improvements. Further, and in addition to any requirements under the Acquisition Agreement, such conveyances shall also include all right, title, interest, and benefit of the Developer, if any, in, to and under any and all contracts, guaranties, affidavits, warranties, bonds, insurance rights, indemnification, defense and hold harmless rights, enforcement rights, claims, lien waivers, and other rights of any kind, with respect to the creation of the Remaining Improvements.

4. **DEFAULT.** A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance. Any default under the applicable trust indenture for the Bonds caused by the Developer and/or its affiliates shall be a default hereunder, and the District shall have no obligation to fund the Project with the proceeds of the Bonds in the event of such a default. Prior to commencing any action for a default hereunder, the party seeking to commence such action shall first provide written notice to the defaulting party of the default and an opportunity to cure such default within 30 days.

5. **ATTORNEYS' FEES AND COSTS.** In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

7. **NOTICES.** All notices, requests, consents, and other communications hereunder ("**Notices**") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or telecopied or hand delivered to the parties, at the addresses first set forth above. Except as otherwise provided herein, any Notice shall be deemed received only upon actual delivery at the address or telecopy number set forth herein. If mailed as provided above, Notices shall be deemed delivered on the third business day unless actually received earlier. Notices hand delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the parties may deliver Notice on behalf of the parties. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name, address or telecopy number to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein.

8. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

9. **THIRD PARTY BENEFICIARIES.** Except as set forth below, this Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

Notwithstanding the foregoing, the Trustee, acting at the direction of the Majority Owners of the Bonds, shall have the right to directly enforce the provisions of this Agreement. The Trustee shall not be deemed to have assumed any obligations under this Agreement. This Agreement may not be assigned or materially amended, and the Project may not be materially amended, without the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds, which consent shall not be unreasonably withheld.

10. **ASSIGNMENT.** The District and the Developer may only assign this Agreement or any monies to become due hereunder with the prior written approval of the other, and only after satisfaction of the conditions set forth in Section 9 above.

11. **AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer, and only after satisfaction of the conditions set forth in Section 9 above.

12. **APPLICABLE LAW AND VENUE.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in the County in which the District is located.

13. **PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and shall be treated as such in accordance with Florida law.

14. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

15. **LIMITATIONS ON GOVERNMENTAL LIABILITY.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred by sovereign immunity or by other operation of law.

16. **HEADINGS FOR CONVENIENCE ONLY.** The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

17. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

**COLLATERAL ASSIGNMENT AGREEMENT
(2026 BONDS)**

THIS COLLATERAL ASSIGNMENT AGREEMENT (“Agreement”) is made and entered into, by and between:

WINDING OAKS COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, with a mailing address of c/o Wrathell, Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (“**District**”); and

KL WINDING OAKS LLC, a Florida limited liability company, and the owner and developer of certain lands within the boundaries of the District, with a mailing address of 105 NE 1st Street, Delray Beach, Florida 33444 (“**Developer**”).

RECITALS

WHEREAS, the District was established by ordinance pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, and acquiring certain infrastructure, including roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the District proposes to issue Special Assessment Bonds, Series 2026 (Assessment Area Two) (“**Bonds**”) to finance certain public infrastructure for the District’s “2026 Project” (“**Project**”), which consists the portions of the capital improvement plan necessary for the development of “**Assessment Area Two**” as defined in that certain *Second Supplemental Engineer’s Report*, dated January 2026; and

WHEREAS, the security for the repayment of the Bonds is the special assessments (“**Assessments**”) levied against benefitted lands within Assessment Area Two (together, “**Property**”), the legal description of which is attached hereto as **Exhibit A**; and

WHEREAS, the District is presently planned to include certain planned product types and units¹ (as used herein with respect to the planned units and/or the undeveloped lands within the Property that may be developed into the planned units and that will fully secure the Assessments, “**Lots**”) within the Property; and

WHEREAS, “**Development Completion**” will occur when the District’s Project is complete, all Lots have been developed, and all other infrastructure work necessary to support the Lots has been completed; and

WHEREAS, in the event of default in the payment of the Assessments, the District has certain remedies – namely, if the Assessments are direct billed, the remedy available to the District would be an action in foreclosure, or if the Assessments are collected pursuant to Florida’s uniform method of collection, the remedy for non-payment of the Assessments is the sale of tax-certificates (collectively, “**Remedial Rights**”); and

WHEREAS, in the event the District exercises its Remedial Rights, the District will require the assignment of certain Development Rights (defined below) to complete development of the community; and

WHEREAS, the rights assigned to the District hereunder shall be exercised in a manner which will not materially affect the intended development of the Property.

NOW, THEREFORE, in consideration of the above recitals which the parties hereby agree are true and correct and are hereby incorporated by reference and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Developer and the District agree as follows:

1. **COLLATERAL ASSIGNMENT.**

Development Rights. The Developer hereby collaterally assigns to the District, to the extent assignable and to the extent that they are owned or controlled by the Developer at execution of this Agreement or subsequently acquired by the Developer, all of the Developer’s development rights relating to development of the Property and/or the Project (herein, collectively, “**Development Rights**”), as security for the Developer’s payment and performance and discharge of its obligation to pay the Assessments levied against the Property owned by the Developer from time to time. The Development Rights shall include the items listed in subsections (a) through (i) below as they pertain to development of the Property and/or the Project:

(a) Zoning approvals, density approvals and entitlements, concurrency and capacity certificates, and development agreements.

¹ The number and type of Lots may vary based on final development. Ultimately, and subject to true-up determinations, the Developer is obligated to develop sufficient residential units (i.e., presently planned for ___ residential units, or _____ EAU) that would absorb the full allocation of Assessments securing the Bonds, where such Assessments are based on the assessment levels for each product type established in the *Final Second Supplemental Special Assessment Methodology Report*, dated _____.

(b) Engineering and construction plans and specifications for grading, roadways, site drainage, stormwater drainage, signage, water distribution, wastewater collection, and other improvements.

(c) Preliminary and final site plans.

(d) Architectural plans and specifications for public buildings and other public improvements relating to the Property.

(e) Permits, approvals, resolutions, variances, licenses, and franchises granted by governmental authorities, or any of their respective agencies, for or affecting the development within the Property and construction of improvements thereon, or off-site to the extent such off-site improvements are necessary or required for Development Completion.

(f) Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the development within the Property or the construction of improvements thereon.

(g) All declarant's rights under any homeowner's association or other similar governing entity with respect to the Property.

(h) All impact fee credits.

(i) All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing.

Exclusions. Notwithstanding the foregoing, the Development Rights shall not include any rights which relate solely to: (i) Platted Lots conveyed to unaffiliated homebuilders or end-users, or (ii) any property which has been conveyed to the general purpose local government(s), the District, any utility provider, or any governmental or quasi-governmental entity as may be required by applicable permits, approvals, plats, entitlements or regulations affecting the District, if any (items (i) and (ii) referred to herein as "**Permitted Transfer**").

Rights Inchoate. The assumption of rights under this Agreement shall be inchoate and shall only become an absolute assignment and assumption of the Development Rights, upon failure of the Developer to pay the Assessments levied against the Property; provided, however, that such assignment shall only be absolute to the extent that: (i) this Agreement has not been terminated earlier pursuant to the term of this Agreement, (ii) a Permitted Transfer has not already occurred with respect to the Development Rights, or (iii) a Lot is conveyed to an unaffiliated homebuilder or end-user, in which event such Lot shall be released automatically herefrom.

Rights Severable. To the extent that any Development Rights apply to the Property and additional lands, or to Property that is the subject of a Permitted Transfer, the Developer shall at the request of the District cooperate and take reasonable steps to separate such rights for the District's use.

2. **WARRANTIES BY DEVELOPER.** The Developer represents and warrants to the District that:

(a) Other than Permitted Transfers, the Developer has made no assignment of the Development Rights to any person other than District.

(b) The Developer is not prohibited under agreement with any other person or under any judgment or decree from the execution and delivery of this Agreement.

(c) No action has been brought or threatened which would in any way interfere with the right of the Developer to execute this Agreement and perform all of the Developer's obligations herein contained.

(d) Any transfer, conveyance or sale of the Property shall subject any and all affiliated entities or successors-in-interest of the Developer to the Agreement, except to the extent of a Permitted Transfer.

3. **COVENANTS.** The Developer covenants with District that during the Term (as defined herein):

(a) The Developer will use reasonable, good faith efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of the Developer relating to the Development Rights and (ii) give notice to the District of any claim of default relating to the Development Rights given to or by the Developer, together with a complete copy of any such claim.

(b) The Developer agrees not to take any action that would decrease the development entitlements to a level below the amount necessary to support the then outstanding Assessments, other than satisfying any true-up obligations to the District; to take any action to modify, waive, release or terminate the Development Rights in a manner that would materially impair or impede Development Completion; or otherwise take any action that would materially impair or impede Development Completion.

4. **EVENTS OF DEFAULT.** Any breach of the Developer's warranties contained in Section 2 hereof or breach of covenants contained in Section 3 hereof shall, after the giving of written notice and an opportunity to cure (which cure period shall be not more than thirty (30) days), constitute an "Event of Default" under this Agreement. An Event of Default shall also include the transfer of title to Lots owned by Developer pursuant to a judgment of foreclosure entered by a court of competent jurisdiction in favor of District (or its designee) or a deed in lieu of foreclosure to District (or its designee), or the acquisition of title to such Lots through the sale of tax certificates.

5. **REMEDIES UPON DEFAULT.** Upon an Event of Default, the District or its designee may, as the District's sole and exclusive remedies, take any or all of the following actions, at the District's option:

(a) Perform any and all obligations of the Developer relating to the Development Rights and exercise any and all rights of the Developer therein as fully as the Developer could.

(b) Initiate, appear in, or defend any action arising out of or affecting the Development Rights.

(c) Further assign any and all of the Development Rights to a third party acquiring title to the Property or any portion thereof from the District or at a District foreclosure sale.

6. **AUTHORIZATION IN EVENT OF DEFAULT.** In the Event of Default, the Developer does hereby authorize and shall direct any party to any agreement relating to the Development Rights to tender performance thereunder to the District or its designee upon written notice and request from the District.

Any such performance in favor of the District or its designee shall constitute a full release and discharge to the extent of such performance as fully as though made directly to the Developer.

7. **SECURITY AGREEMENT.** This Agreement shall be a security agreement between the Developer, as the debtor, and the District, as the secured party, covering the Development Rights that constitute personal property governed by the Florida Uniform Commercial Code ("**Code**"), and the Developer grants to the District a security interest in such Development Rights. In addition to the District's other rights hereunder, and upon an Event of Default, the District shall have the right to file any and all financing statements that may be required by the District to establish and maintain the validity and priority of the District's security interest rights of a secured party under the Code.

8. **TERM; TERMINATION.** Unless the assignment of Development Rights becomes absolute, this Agreement shall automatically terminate upon the earliest to occur of the following: (i) payment of the Bonds in full; (ii) Development Completion; and (iii) upon occurrence of a Permitted Transfer, but only to the extent that such Development Rights are with respect to lands that are the subject of the Permitted Transfer (herein, the "**Term**").

9. **AMENDMENT.** This Agreement may be modified in writing only by the mutual agreement of all parties hereto, and only after satisfaction of the conditions set forth in Section 15.

10. **ASSIGNMENT.** This Agreement shall constitute a covenant running with title to the Property, binding upon the Developer and its successors and assigns as to the Property or portions thereof. Any transferee shall take title subject to the terms of this Agreement and with respect to the portion of the Property so transferred, provided however that this Agreement shall not apply to any portion of the Property that is the subject of a Permitted Transfer.

11. **ATTORNEYS' FEES AND COSTS.** In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

12. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

13. **NOTICES.** All notices, requests, consents and other communications under this Agreement ("**Notices**") shall be in writing and shall be delivered, mailed by Second Class Mail, postage prepaid, or overnight delivery service, to the parties, at the addresses Second set forth above. Except as otherwise provided in this Agreement, any Notice shall be deemed received only upon actual delivery at the address set forth above. Notices delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the District and counsel for the Developer may deliver Notice on behalf of the District and the Developer, respectively. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein.

14. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

15. **THIRD PARTY BENEFICIARIES.** Except as set forth in the following paragraph, this Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

Notwithstanding the foregoing, the Trustee, acting at the direction of the Majority Owners of the Bonds, shall have the right to directly enforce the provisions of this Agreement. The Trustee shall not be deemed to have assumed any obligations under this Agreement. This Agreement may not be materially amended, and the Project may not be materially amended, without the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds, which consent shall not be unreasonably withheld.

16. **APPLICABLE LAW AND VENUE.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in the County in which the District is located.

17. **PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

18. **SEVERABILITY.** The invalidity or unenforceability of any Two or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

19. **LIMITATIONS ON GOVERNMENTAL LIABILITY.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred by sovereign immunity or by other operation of law.

20. **HEADINGS FOR CONVENIENCE ONLY.** The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

21. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but Two and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form Two document.

KL WINDING OAKS LLC, a Florida limited liability company, together with its successors and assigns (together, “**Landowner**”), represents that it is the owner of 100% of the land described in **Exhibit A** attached hereto and made a part hereof (“**Property**”), and further declares, acknowledges and agrees as follows:

1. The Winding Oaks Community Development District (“**District**”) is, and has been at all times, on and after its establishment date, a legally-created, duly organized, and validly existing community development district under the provisions of Chapter 190, *Florida Statutes*, as amended (“**Act**”). Without limiting the generality of the foregoing, the Landowner acknowledges that: (a) the petition filed with the City of Ocala, Florida (“**City**”), relating to the creation of the District contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) City Ordinance No. 2024-19, effective March 21, 2024, was duly and properly enacted by the City in compliance with all applicable requirements of law; (c) the members of the Board of Supervisors of the District were duly and properly designated pursuant to the Act to serve in their capacities, and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from the date of establishment of the District, to and including the date of this Declaration; and (d) the Property is within the boundaries of the District and subject to the District’s jurisdiction and authority.

2. The Landowner understands and acknowledges that the District has adopted Resolution Nos. 2024-26 and 2026-__ (collectively, “**Assessment Resolutions**”) that levied and imposed debt service special assessment liens on the Property (together, “**Assessments**”). Such Assessments, which may include “true-up” payments pursuant to the terms of the Assessment Resolutions, are legal, valid and binding Second liens upon the Property, coequal with the lien of all state, county, district and municipal taxes, and superior in dignity to all other liens, titles and claims, until paid.

3. The Landowner hereby expressly acknowledges, represents and agrees that: (i) the Assessments (including any “true-up” payments), the Assessment Resolutions, and the terms of the financing documents related to the District’s issuance of its Special Assessment Bonds, Series 2026 (Assessment Area Two), or securing payment thereof (“**Financing Documents**”), are, to the extent of the Landowner’s obligations thereunder and with respect thereto, valid and binding obligations enforceable in accordance with their terms; (ii) the Landowner has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the Assessments (including any “true-up” payments) and/or amounts due under the Financing Documents, and the Landowner expressly waives any such claims, offsets, defenses or counterclaims; (iii) the Landowner hereby waives any and all rights, remedies, and other actions now or hereafter contemplated to contest, challenge, or otherwise dispute

Notwithstanding anything to the contrary herein, nothing in this Declaration of Consent is intended to make the Assessments a personal obligation of the Developer.

4. The Landowner hereby waives the right granted in Section 170.09, *Florida Statutes*, to prepay the Assessments within thirty (30) days after the improvements are completed, without interest, in consideration of, among other things, rights granted by the District to prepay Assessments in full at any time, or in part up to two times, and in either case with interest, under the circumstances set forth in the resolutions of the District levying such Assessments.

5. Pursuant to Section 197.3632(4)(b), *Florida Statutes*, the Landowner hereby expressly waives any and all notice requirements for use of the Uniform Method of Collection.

6. Landowner further agrees that, as part of the Assessments, the Property is subject to the true-up provisions established under the District’s Assessment Resolutions and set forth in the *Final Second Supplemental Special Assessment Methodology Report*, dated _____, and available at the offices of the District Manager as provided herein. The true-up mechanisms, which are incorporated herein by reference, are applicable to plats and re-plats.

7. This Declaration shall represent a lien of record for purposes of Florida law, including but not limited to Chapter 197, *Florida Statutes*, and Sections 197.552 and 197.573, *Florida Statutes*, among others. Other information regarding the Assessments is available from the District’s Manager, c/o Wrathell, Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (561)571-0010.

BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE DEEMED TO HAVE CONSENTED AND AGREED TO THE PROVISIONS OF THIS DECLARATION TO THE SAME EXTENT AS IF THEY HAD EXECUTED IT AND BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE ESTOPPED FROM CONTESTING, IN COURT OR OTHERWISE, THE VALIDITY, LEGALITY AND ENFORCEABILITY OF THIS DECLARATION.

**WINDING OAKS COMMUNITY DEVELOPMENT DISTRICT
DISCLOSURE OF PUBLIC FINANCE
(2026 BONDS)**

The Winding Oaks Community Development District (“**District**”) is a unit of special-purpose local government created pursuant to and existing under the provisions of Chapter 190, *Florida Statutes*. Under Florida law, community development districts are required to take affirmative steps to provide for the full disclosure of information relating to the public financing and maintenance of improvements to real property undertaken by such districts.

WHAT IS THE DISTRICT AND HOW IS IT GOVERNED?

The District is an independent special taxing district, created pursuant to and existing under the provisions of Chapter 190, *Florida Statutes*, and established by Ordinance No. 2024-19, which was enacted by the City of Ocala, Florida, and effective on March 21, 2024. The District currently encompasses approximately 460.12 acres of land located entirely within the City of Ocala, Florida. The legal description of the lands encompassed within the District is attached hereto as **Exhibit A**. As a local unit of special-purpose government, the District provides an alternative means for planning, financing, constructing, operating and maintaining various public improvements and community facilities within its jurisdiction. The District is governed by a five-member Board of Supervisors (“**Board**”), the members of which must be residents of the State of Florida and citizens of the United States.

For more information about the District, please visit: <https://windingoakscdd.net/>, or contact the District Manager, c/o Wrathell Hunt & Associates, LLC, 2300 Glades Road, #410w, Boca Raton, Florida 33431, phTwo (561) 571-0010 (“**District Office**”).

DESCRIPTION OF PROJECTS, BONDS & ASSESSMENTS

The District is authorized by Chapter 190, *Florida Statutes*, to finance, fund, plan, establish, acquire, install, equip, operate, extend, construct, or reconstruct roadways, stormwater management, utilities (water and sewer), offsite improvements, landscaping/lighting and other infrastructure projects, and services necessitated by the development of, and serving lands within, the District. To finance the construction of such projects, the District is authorized to issue bonds that are secured by special assessments levied against properties within the District that are benefitted by the projects.

2026 Project, Bonds & Assessments

On _____, 2026, the District issued its \$_____ Special Assessment Bonds, Series 2026 (“**Bonds**”) to finance a portion of its capital improvement plan known as the “2026 Project” (“**Project**”). The Project consists of the portions of the capital improvement plan necessary for the development of

Assessment Area Two as described in that certain *Second Supplemental Engineer's Report*, dated January 2026 ("**Engineer's Report**").

The Bonds are secured by special assessments ("**Assessments**") levied and imposed on the benefitted lands within the District. The Assessments are further described in the *Final Second Supplemental Special Assessment Methodology Report*, dated _____, 2026 (together, the "**Assessment Report**").

Operation and Maintenance Assessments

In addition to debt service assessments, the District may also impose on an annual basis operations and maintenance assessments ("**O&M Assessments**"), which are determined and calculated annually by the Board in order to fund the District's annual operations and maintenance budget. O&M Assessments are levied against all benefitted lands in the District, and may vary from year to year based on the amount of the District's budget. O&M Assessments may also be affected by the total number of units that ultimately are constructed within the District. The allocation of O&M Assessments is set forth in the resolutions imposing the assessments. Please contact the District Office for more information regarding the allocation of O&M Assessments.

Collection Methods

For any given fiscal year, the District may elect to collect any special assessment for any lot or parcel by any lawful means. Generally speaking, the District may elect to place a special assessment on that portion of the annual real estate tax bill, entitled "non-ad valorem assessments," which would then be collected by the County tax collector in the same manner as county ad valorem taxes. Alternatively, the District may elect to collect any special assessment by sending a direct bill to a given landowner. The District reserves the right to change collection methods from year to year.

A detailed description of all of the District's assessments, fees and charges, as well as copies of the Engineer's Report, Assessment Report, and other District records described herein, may be obtained from the registered agent of the District as designated to the Florida Department of Economic Opportunity in accordance with Section 189.014, *Florida Statutes*, or by contacting the District Office. Please note that changes to the District's capital improvement plans and financing plans may affect the information contained herein and all such information is subject to change at any time and without further notice.

**WINDING OAKS COMMUNITY DEVELOPMENT DISTRICT
NOTICE OF SPECIAL ASSESSMENTS / GOVERNMENTAL LIEN OF RECORD
(2026 BONDS)**

PLEASE TAKE NOTICE that the Board of Supervisors of the Winding Oaks Community Development District (“**District**”) in accordance with Chapters 170, 190, and 197, *Florida Statutes*, previously adopted Resolution Nos. 2024-26 and 2026-__ (together, “**Assessment Resolutions**”). The Assessment Resolutions levy and impose Two or more non-ad valorem, debt service special assessment lien(s) (“**Assessments**”), which are levied on the property known as Assessment Area Two (together, “**Assessment Area**”) described in **Exhibit A**.

The Assessments secure the District’s repayment of debt service on the District’s Special Assessment Bonds, Series 2026 (“**Bonds**”). The Bonds are intended to finance a portion of the District’s “**Project**” (a/k/a “2026 Project”), which consist of the portions of the capital improvement plan necessary for the development of Assessment Area Two as defined in that certain *Second Supplemental Engineer’s Report*, dated January 2026 (“**Engineer’s Report**”). The Assessments are further described in the *Final Second Supplemental Special Assessment Methodology Report*, dated _____, 2026 (together, “**Assessment Report**”). A copy of the Engineer’s Report, Assessment Report and Assessment Resolutions may be obtained from the registered agent of the District as designated to the Florida Department of Economic Opportunity, or by contacting the District’s Manager, c/o Wrathell, Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (561)571-0010.

The Assessments were legally and validly determined and levied in accordance with all applicable requirements of Florida law, and constitute and will at all relevant times in the future constitute, legal, valid, and binding Second liens on the land against which assessed until paid, coequal with the lien of all state, county, district, and municipal taxes, and superior in dignity to all other liens, titles, and claims. Please note that, as part of the Assessments, the Assessment Resolutions require that certain “True-Up Payments” be made in certain circumstances, and landowners should familiarize themselves with those requirements, as they constitute a requirement under the liens.

The District is a special purpose form of local government established pursuant to and governed by Chapter 190, *Florida Statutes*. This notice shall remain effective even if the District undergoes merger, boundary amendment, or name change. Further, this notice shall constitute a lien of record under Florida law, including but not limited to Chapter 197, *Florida Statutes*, and Sections 197.552 and 197.573, *Florida Statutes*, among others.

Pursuant to Section 190.048, *Florida Statutes*, you are hereby notified that: **THE WINDING OAKS COMMUNITY DEVELOPMENT DISTRICT MAY IMPOSE AND LEVY TAXES OR ASSESSMENTS, OR BOTH TAXES AND ASSESSMENTS, ON THE ASSESSMENT AREA. THESE TAXES AND ASSESSMENTS PAY THE CONSTRUCTION, OPERATION, AND MAINTENANCE COSTS OF CERTAIN PUBLIC FACILITIES AND SERVICES OF THE DISTRICT AND ARE SET ANNUALLY BY THE GOVERNING BOARD OF THE DISTRICT. THESE TAXES AND ASSESSMENTS ARE IN ADDITION TO COUNTY AND OTHER LOCAL GOVERNMENTAL TAXES AND ASSESSMENTS AND ALL OTHER TAXES AND ASSESSMENTS PROVIDED FOR BY LAW.**

IN WITNESS WHEREOF, this Notice has been executed to be effective as of the date of closing on the Bonds, and recorded in the Public Records of the County in which the District is located.

**TRUE-UP AGREEMENT
(2026 BONDS / ASSESSMENT AREA TWO)**

THIS TRUE-UP AGREEMENT (“Agreement”) is made and entered into by and between:

WINDING OAKS COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and whose mailing address is c/o Wrathell, Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (“**District**”); and

KL WINDING OAKS LLC, a Florida limited liability company, the owner and developer of lands within the boundary of the District, whose mailing address is 105 NE 1st Street, Delray Beach, Florida 33444 (“**Developer**”).

RECITALS

WHEREAS, the District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, and acquiring certain infrastructure, roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Developer is currently the owner and developer of the lands (“**Property**”) within the District, as described in **Exhibit A** attached hereto; and

WHEREAS, for the benefit of the Property, the District presently intends to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services known as the “2026 Project” (“**Project**”) and as defined in the *Second Supplemental Engineer’s Report*, dated January 2026 (“**Engineer’s Report**”); and

WHEREAS, the District intends to finance a portion of the Project through the use of proceeds from the anticipated sale of its \$ _____ Special Assessment Bonds, Series 2026 (Assessment Area Two Project) (“**2026 Bonds**”); and

WHEREAS, pursuant to Resolution Nos. 2024-26 and 2026-__ (together, “**Assessment Resolutions**”), the District has taken certain steps necessary to impose debt service special assessment

lien(s) (“**Debt Assessments**”) on the Property pursuant to Chapters 170, 190 and 197, *Florida Statutes*, to secure repayment of the 2026 Bonds; and

WHEREAS, as part of the Assessment Resolutions, the District adopted the *Master Special Assessment Methodology Report*, dated May 13, 2024, as revised July 17, 2024, and as supplemented by the *Final Second Supplemental Special Assessment Methodology Report*, dated _____, 2026 (together, “**Assessment Report**”), which is on file with the District and expressly incorporated herein by this reference; and

WHEREAS, Developer agrees that the Property benefits from the timely design, construction, or acquisition of the Project; and

WHEREAS, Developer agrees that the Debt Assessments, which were imposed on the Property, have been validly imposed and constitute valid, legal, and binding liens upon the Property; and

WHEREAS, the Assessment Resolutions together with the Assessment Report provide that as the Property is platted, the allocation of the amounts assessed to and constituting a lien upon the Property would be calculated based upon certain density assumptions relating to the number of each type of residential unit to be constructed on the developable acres within the Property, which assumptions were provided by Developer; and

WHEREAS, Developer intends to plat and develop the Property based on then-existing market conditions, and the actual densities developed may be at some density less than the densities assumed in the Assessment Report; and

WHEREAS, as more fully described by the Assessment Resolutions, the Assessment Report anticipates a “true-up” mechanism by which the Developer shall make certain payments to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, with the amount of such payments being determined generally by a calculation of the principal amount of assessments to be assigned under the Assessment Report as compared to the amount able to be assigned as a result of actual platting.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **RECITALS.** The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

2. **VALIDITY OF ASSESSMENTS.** Developer agrees that the Assessment Resolutions have been duly adopted by the District. Developer further agrees that the Debt Assessments imposed as liens by the District are legal, valid, and binding liens on the land against which assessed until paid, coequal with the liens of all state, county, district, and municipal taxes, and superior in dignity to all other state liens, titles, and claims. Developer waives any defect in notice or publication or in the proceedings to levy, impose, and collect the Debt Assessments on the lands within the District, and further waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Debt Assessments. Developer further agrees that to the extent Developer fails to timely pay all Debt Assessments collected by mailed notice of the District, said unpaid Debt Assessments (including True-Up Payments) may be

placed on the tax roll by the District for collection by the County Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year.

3. **WAIVER OF PREPAYMENT RIGHT.** Developer waives any rights it may have under Section 170.09, *Florida Statutes*, to prepay the Debt Assessments without interest within thirty (30) days of completion of the improvements.

4. **SPECIAL ASSESSMENT REALLOCATION; TRUE-UP PAYMENTS.** The Assessment Report identifies the amount of equivalent assessment units (and/or product types and unit counts) planned for the Property. At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), and subject to the conditions set forth in the Assessment Report, the plat or site plan (either, herein, "**Proposed Plat**") shall be presented to the District for review pursuant to the terms herein. Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or this Agreement. If such Proposed Plat is consistent with the development plan as identified in the Assessment Report, the District shall allocate the Debt Assessments to the product types being platted and the remaining property in accordance with the Assessment Report, and cause the Debt Assessments to be recorded in the District's Improvement Lien Book. If a change in development shows a net increase in the overall principal amount of Debt Assessments able to be assigned to the Property, then the District may undertake a pro rata reduction of Debt Assessments for all assessed properties within the Property, or may otherwise address such net increase as permitted by law.

However, if a change in development as reflected in a Proposed Plat results in a net decrease in the overall principal amount of Debt Assessments able to be assigned to the planned units described in the Assessment Report, and located within the Property, and using any applicable test(s) set forth in the Assessment Report (if any), then the District shall require the Developer(s) of the lands encompassed by the Proposed Plat and the remaining undeveloped lands (as applicable) to pay a "**True-Up Payment**" equal to the shortfall in Debt Assessments resulting from the reduction of planned units plus any applicable interest and/or collection fees. Any True-Up Payment shall become immediately due and payable prior to platting or re-platting by the Developer of the lands subject to the Proposed Plat, shall be separate from and not in lieu of the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the 2026 Bonds to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indenture for the 2026 Bonds)).

All Debt Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres, any unallocated Debt Assessments in the form of the herein described True-Up Payments shall become immediately due and payable. This true-up process applies for both plats and/or re-plats.

5. **ENFORCEMENT.** This Agreement is intended to be an additional method of enforcement of Developer's obligations to pay the portion of the Debt Assessments which constitutes the True-Up Payment and to abide by the requirements of the reallocation of Debt Assessments, including the making of the True-Up Payment, as set forth in the Assessment Resolutions. A default by either party under this Agreement shall entitle any other party to all remedies available at law or in equity, which shall include,

but not be limited to, the right of damages, injunctive relief, and specific performance. Prior to commencing any action for a default hereunder, the party seeking to commence such action shall Second provide notice to the defaulting party of the default and an opportunity to cure such default within 30 days.

6. **ASSIGNMENT.** This Agreement shall constitute a covenant running with title to the Property, binding upon Developer and its successors and assigns as to the Property or portions thereof, and any transferee of any portion of the Property as set forth in this Section. Developer shall not transfer any portion of the Property to any third party, without Second satisfying any True-Up Payment that results from any true-up determinations made by the District. Regardless of whether the conditions of this subsection are met, any transferee shall take title subject to the terms of this Agreement, but only to the extent this Agreement applies to the portion of the Property so transferred. As a point of clarification, and provided that any True-Up Payment is Second made (which may be confirmed from an estoppel letter issued by the District through its District Manager), any platted lot conveyed to an end user with a home that has received a certificate of occupancy is automatically and forever released from the terms and conditions of this Agreement. Also provided that any True-Up Payment is Second made (which may be confirmed from an estoppel letter issued by the District through its District Manager), any platted lot that is restricted from re-platting and is conveyed to a homebuilder is automatically and forever released from the terms and conditions of this Agreement.

7. **ATTORNEYS' FEES AND COSTS.** In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

8. **AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer, but only after satisfaction of the conditions set forth in Section 12.

9. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

10. **NOTICE.** All notices, requests, consents, and other communications hereunder ("**Notices**") shall be in writing and shall be delivered, mailed by Second Class Mail, postage prepaid, or telecopied or hand delivered to the parties, at the addresses Second set forth above. Except as otherwise provided herein, any Notice shall be deemed received only upon actual delivery at the address set forth herein. If mailed as provided above, Notices shall be deemed delivered on the third business day unless actually received earlier. Notices hand delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the parties may deliver Notice on behalf of the parties. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name, address to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein. Notwithstanding the foregoing, to the extent Florida law requires notice to enforce the collection of assessments placed on

property by the District, then the provision of such notice shall be in lieu of any additional notice required by this Agreement.

11. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

12. **THIRD PARTY BENEFICIARIES.** Except as set forth below, this Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

Notwithstanding the foregoing, the Trustee, acting at the direction of the Majority Owners of the 2026 Bonds, shall have the right to directly enforce the provisions of this Agreement. The Trustee shall not be deemed to have assumed any obligations under this Agreement. This Agreement may not be materially amended, without the written consent of the Trustee, acting at the direction of the Majority Owners of the 2026 Bonds, which consent shall not be unreasonably withheld.

13. **APPLICABLE LAW AND VENUE.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in the County in which the District is located.

14. **PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

15. **SEVERABILITY.** The invalidity or unenforceability of any Two or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

16. **LIMITATIONS ON GOVERNMENTAL LIABILITY.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred by sovereign immunity or by other operation of law.

17. **HEADINGS FOR CONVENIENCE ONLY.** The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

18. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but Two and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form Two document.

Attn: Mr. Craig Wrathell

Re: Winding Oaks CDD, Series 2026 Bonds

Dear Mr. Wrathell:

We are writing to provide you, as the Lake Flores Community Development District (the "Issuer"), with certain disclosures relating to the captioned bond issue (the "Bonds"), as required by the Municipal Securities Rulemaking Board (MSRB) Rule G-17 Disclosure, as set forth in the amended and restated MSRB Notice 2019-20 (November 8, 2019)¹ (the "Notice"). We ask that you provide this letter to the appropriate person at the Issuer.

The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the "Underwriter") and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the "Bonds"). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer's interest in this transaction.

The specific parameters under which FMS will underwrite the Bonds will be set forth in a Bond Resolution adopted by the Board.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

- The Underwriter's primary role is to purchase the Bonds in an arm's-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter's compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal,

accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer’s acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, “Authorized Issuer Representative”) acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.

FMSbonds, Inc.

**INTERLOCAL AGREEMENT
REGARDING STORMWATER POND MAINTENANCE**

This *Interlocal Agreement regarding Stormwater Pond Maintenance* ("**Agreement**") is entered into by and between MARION COUNTY, FLORIDA, a political subdivision of the State of Florida ("**County**") and WINDING OAKS COMMUNITY DEVELOPMENT DISTRICT, a local unit of special purpose government ("**District**").

WITNESSETH:

WHEREAS, Section 163.01, *Florida Statutes*, known as the "Florida Interlocal Cooperation Act of 1969" ("**Cooperation Act**"), permits local governmental units to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities in a manner and pursuant to forms of governmental organization that will accord best with geographic, economic, population, and other factors influencing the needs and development of local communities; and

WHEREAS, the District is the operations and maintenance entity of the stormwater system for the Winding Oaks development, which system includes the ponds identified in **Exhibit A** (together, "**Stormwater Ponds**"); and

WHEREAS, the County and District desire to enter into this Agreement in order for the District to undertake the obligations related to such operation and maintenance responsibilities;

NOW, THEREFORE, in consideration of the mutual promises and other consideration contained herein, the parties hereto agree as follows:

1. **District Responsibilities**. At the District's cost and expense (except as provided for in Section 2 below), the District shall have the perpetual right and obligation to acquire and/or construct/install, operate, maintain, repair and replace the Stormwater Ponds and related improvements (together, "**Improvements**") identified in **Exhibit A**. Presently, the Stormwater Ponds and related improvements are located within Tracts F, G, and H, and within the easements holding connecting pipes and structures, as identified in the plat entitled Winding Oaks Residential Phase 3A, recorded in the public records of Marion County, Florida at Plat Book 17, Pages 33-39, and within Tracts F and G, and the easements holding connecting pipes and structures, as identified in the plat entitled Winding Oaks Residential Phase 4A, recorded in the public records of Marion County, Florida at Plat Book 17, Pages 1-6. When a further connection is made ("**Future Connection**"), the Stormwater Ponds and Improvements will also include a pond known as "DRA-4-01" ("**Future Pond**"), together with additional easements holding connecting pipes and structures. The parties acknowledge that the District's funding is subject to annual

appropriations, and that the District agrees to make reasonable attempts to levy and collect sufficient special assessments to fund the expenses necessary for the District to fulfill its obligations hereunder.

THIS AGREEMENT IS INTENDED TO BE PERPETUAL. TO THE EXTENT THAT FLORIDA'S MARKETABLE RECORD TITLE ACT, SECTIONS 712.001, ET SEQ., FLORIDA STATUTES, IS APPLICABLE TO THIS AGREEMENT, THE PARTIES AGREE THAT EITHER PARTY MAY UNILATERALLY RENEW THIS AGREEMENT BY FILING A NOTICE OF CLAIM PURSUANT TO SECTION 712.05, FLORIDA STATUTES, AND SUCH RENEWAL NOTICE SHALL BE FILED NOT LESS THAN ONE (1) YEAR PRIOR TO THE EXPIRATION OF ANY APPLICABLE THIRTY (30) YEAR PERIOD UNDER THE MARKETABLE RECORD TITLE ACT.

All of the rights and privileges granted hereby shall be and remain in effect in perpetuity and may not be subject to termination or forfeiture except as may be terminated by written instrument executed by the District and the County, approved by the respective governing bodies of each party, and recorded in the Public Records of Marion County, Florida.

2. **Catastrophic Occurrences.** In the event of a catastrophic occurrence with respect to the Stormwater Ponds (for the purposes of this paragraph, "catastrophic occurrence" shall be deemed to be the occurrence of a sinkhole or some other geotechnical occurrence causing the stormwater retention capability of the Stormwater Ponds to cease to exist or to be materially impaired as to functionality):

- a. The District shall solicit proposals to repair the catastrophic occurrence from at least three (3) contractors who are capable of performing such work and shall obtain a minimum of two (2) quotes, and shall submit them to County for approval within ten (10) business days of receipt, unless the District determines in writing that there is insufficient time to follow such process due to imminent threat to public health, safety, or welfare, in which event the District may retain a contractor in its reasonable discretion and shall notify the County within twenty-four (24) hours of such retention.
- b. During the corrective work, County shall be permitted to inspect the work.
- c. The District shall complete all required repairs and shall submit to County documentation reasonable sufficient to establish the amount of the repairs and that the District has paid such costs.
- d. The cost of the repair of any such catastrophic occurrence shall be borne by the District and County on a pro-rated basis, based upon their prorated capacity usage rights of the Stormwater System. The parties agree that the County's prorated capacity usage rights at the time of execution of the Agreement are 9% of the Phase 3 ponds (DRA-3-00, DRA-3-01, and DRA-3-02), pipes, and structures, and 23.09% of the Phase 4 ponds (DRA-4-02 and DRA-4-03), pipes, and structures (not including the Future Pond). Upon completion of the Future Connection, the County's prorated capacity usage rights will be 9% of the Phase 3 ponds (DRA-3-00, DRA-3-01, and DRA-3-02), pipes, and structures, and 18.41% of the Phase 4 ponds (DRA-4-01, DRA-4-02, and DRA-4-03), pipes, and structures (including the Future Pond). If the Stormwater Ponds are not constructed as currently designed, or is hereafter modified, the District and County shall determine the revised prorated capacity usage.
- e. The District shall complete all required repairs subject to review and approval by County and District and invoice County for reimbursement of County's pro rata share of

reasonable fees and costs incurred by the District. The County shall pay its pro rata share of the fees and costs within 30 days issuance of an invoice from the District.

- f. The parties agree that the County has the right to perform emergency maintenance on the Improvements in the event of a local, state, or federal state of emergency wherein the declaration of emergency includes the lands within the District, or an emergency wherein the health, safety, or welfare of the public is deemed to be at risk.

3. **Execution in Counterparts.** This Agreement may be simultaneously executed in counterparts, each which shall be an original and all of which shall constitute but one and the same instrument.

4. **Limitation on Governmental Liability.** Nothing in this Agreement shall be deemed a waiver of the limits of liability of either the County or the District set forth in Section 768.28, *Florida Statutes*, as amended or other statute. Nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim that would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

No covenant, stipulation, obligation or agreement contained in this Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member of the governing body or agent or employee of the County or the District in its, his or her individual capacity, and neither the members of the governing body of the County or the District nor any official executing this Agreement shall be liable personally or shall be subject to any accountability for reason of the execution by the County or the District of this Agreement or any related act.

5. **Notices.** Any notices required or allowed to be delivered shall be in writing and be deemed to be delivered when: (i) hand delivered to the official hereinafter designated, or (ii) upon receipt of such notice when deposited in the United States mail, postage prepaid, certified mail, return receipt requested, addressed to a party at the address set forth opposite the party's name below, or at such other address as the party or parties shall have been specified by written notice to the other party delivered in accordance herewith.

At said meeting, each landowner or his or her proxy shall be entitled to nominate persons for the position of Supervisor and cast one vote per acre of land, or fractional portion thereof, owned by him or her and located within the District for each person to be elected to the position of Supervisor. A fraction of an acre shall be treated as one acre, entitling the landowner to one vote with respect thereto. Platted lots shall be counted individually and rounded up to the nearest whole acre. WINDING OAKS COMMUNITY DEVELOPMENT DISTRICT
FOR THE ELECTION OF SUPERVISORS**

DATE OF LANDOWNERS' MEETING: **November 3, 2026**

TIME: ___:___ __.m.

LOCATION: _____

Pursuant to Chapter 190, Florida Statutes, and after a Community Development District ("**District**") has been established and the landowners have held their initial election, there shall be a subsequent landowners' meeting for the purpose of electing members of the Board of Supervisors ("**Board**") every two years until the District qualifies to have its board members elected by the qualified electors of the District. The following instructions on how all landowners may participate in the election are intended to comply with Section 190.006(2)(b), Florida Statutes.

A landowner may vote in person at the landowners' meeting, or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the District, for each position on the Board that is open for election for the upcoming term. A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one vote with respect thereto. Please note that a particular parcel of real property is entitled to only one vote for each eligible acre of land or fraction thereof; therefore, two or more people who own real property in common, that is one acre or less, are together entitled to only one vote for that real property.

At the landowners' meeting, the first step is to elect a chair for the meeting, who may be any person present at the meeting. The landowners shall also elect a secretary for the meeting who may be any person present at the meeting. The secretary shall be responsible for the minutes of the meeting. The chair shall conduct the nominations and the voting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions. Candidates must be nominated and then shall be elected by a vote of the landowners. Nominees may be elected only to a position on the Board that is open for election for the upcoming term.

This year, three (3) seats on the Board will be up for election by landowners. The two candidates receiving the highest number of votes shall be elected for a term of four (4) years. The candidate receiving the next highest number of votes shall be elected for a term of two (2) years. The term of office for each successful candidate shall commence upon election.

A proxy is available upon request. To be valid, each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized.
